According to the Massachusetts Statistical Plans, CAR operates under a turnaround time commitment for 2010. This commitment guarantees that all monthly accounting and statistical shipments received by CAR, prior to the first business day of each month, will be processed such that the company would be notified of any reporting problems or rejections no later than the fifth business day of that calendar month. Upon company request, their rejected tapes would be returned via overnight mail, ensuring receipt by the sixth business day of that month.

If you have any questions, please contact the undersigned or your CAR Data Analyst.
