BULLETIN NO. 1195

DECISION

PROPOSED CHANGES TO THE RULES OF OPERATION

Proposed changes to the Rules of Operation amending Rule 28 were filed with the Commissioner of Insurance on April 17, 2025. The proposed changes were furnished to all members and interested parties as Bulletin No. 1192 dated April 17, 2025.

Under the provisions of Article X of the Plan of Operation, a proposed Rule of Operation becomes effective either upon approval by the Commissioner of Insurance or upon expiration of 30 days from the time of submission, provided that no public hearing was requested within 5 days by an interested party and the Commissioner has not otherwise disapproved the Rule change.

As no public hearing was requested by any interested party and the proposed Rule has not been disapproved by the Commissioner of Insurance, Rule 28 as amended is deemed approved effective May 20th, 2025.

Please bring these changes to the attention of all interested parties. The Rules of Operation, including the approved changes to Rule 28, are available on CAR's website.
