BULLETIN NO. 1206

DECISION

PROPOSED CHANGES TO THE RULES OF OPERATION

Proposed changes to the Rules of Operation amending Rule 14 and Rule 31 were filed with the Commissioner of Insurance on September 25, 2025. The proposed changes were furnished to all members and interested parties as Bulletin No. 1199 dated September 25, 2025.

Under the provisions of Article X of the Plan of Operation, a proposed Rule of Operation becomes effective either upon approval by the Commissioner of Insurance or upon expiration of 30 days from the time of submission, provided that no public hearing was requested within 5 days by an interested party and the Commissioner has not otherwise disapproved the Rule change.

As no public hearing was requested by any interested party and the proposed Rules have not been disapproved by the Commissioner of Insurance, Rule 14 and Rule 31 as amended are deemed approved effective October 27, 2025.

Please bring these changes to the attention of all interested parties. The Rules of Operation, including the approved changes to Rule 14 and Rule 31, are available on CAR's website.
