BULLETIN NO. 1217

DECISION

PROPOSED CHANGES TO THE RULES OF OPERATION

Rule 13 – Servicing Carrier Requirements
Rule 30 – Assigned Risk Company Requirements

Proposed changes to the Rules of Operation amending Rule 13 and Rule 30 were filed with the Commissioner of Insurance on February 18, 2026. The proposed changes were furnished to all Members and interested parties as Bulletin No. 1213 dated February 19, 2026.

Under the provisions of Article X of the Plan of Operation, a proposed Rule of Operation becomes effective either upon approval by the Commissioner of Insurance or upon expiration of 30 days from the time of submission, provided that no public hearing was requested within 5 days by an interested party and the Commissioner has not otherwise disapproved the Rule change.

As no public hearing was requested by any interested party and the proposed Rules have not been disapproved by the Commissioner of Insurance, Rule 13 and Rule 30 as amended are deemed approved effective March 24, 2026.

Please bring these changes to the attention of all interested parties. The Rules of Operation, including the approved changes to Rule 13 and Rule 30, are available on CAR's website.
