BULLETIN NO. 1222

Amended Private Passenger Residual Market Rate Pages Placed on File
CARI-134766056

On May 19, 2026, the Division of Insurance placed CAR's amended private passenger residual market rate pages on file for policies effective July 1, 2026 and subsequent. The amendment was made to remove references on the rate pages that inadvertently displayed flat deductible charges for the collision and comprehensive coverages to reduce the deductible from \$500 to \$300. The flat charges have been replaced by factors for these rate calculations.

The updated rate pages are now available on the MAIP Company and Producer pages of CAR's website, under Manuals. A valid user-id and password are required for access.

The approved filing is available to Member Companies upon request. Requests should be directed to ActStatDept@commauto.com.
