**BULLETIN NO. 890**

**CLARIFICATION OF BULLETIN NO. 889**

**DECISION – PROPOSED CHANGES TO RULES OF OPERATION 21 & 29**

This is a clarification of Bulletin 889 which was issued on December 19, 2008 and referenced the Commissioner's letter on Proposed Amendments to Rules of Operation 21 & 29, which addressed two specific provisions of the proposed changes to Rule 29. All other amendments to Rules 21 and 29 are deemed approved.

Under the provisions of Article X of the Plan of Operation, a proposed Rule of Operation becomes effective either upon approval by the Commissioner of Insurance, or upon expiration of thirty days from the time of submission, provided that no public hearing was requested within five days by an interested party and the Commissioner has not otherwise disapproved the Rule change within the thirty-day period.

Inasmuch as no public hearing was requested by any interested party within five days of the Rule submission and the proposed Rule has not been disapproved by the Commissioner of Insurance within thirty days of this submission, the amended Rules are deemed effective December 22, 2008, as provided in Article X of the Plan of Operation.

Please bring these changes to the attention of all interested parties. The Rules of Operation, including all approved changes, are available on CAR's website.
