BULLETIN NO. 901

DECISION

PROPOSED CHANGES TO RULES OF OPERATION

Rule 29 – Assignment Process

Proposed changes to the Rules of Operation amending Rule 29 – Assignment Process were filed with the Commissioner of Insurance on April 15, 2009. The proposed changes were furnished to all Members and interested parties as Bulletin No. 899, dated April 15, 2009.

The amendments to Rule 29.B. and C. set forth provisions for a Newly Writing Company to report summary data for Quota Share determination until the carrier is required to report detailed statistics in accordance with the Massachusetts Private Passenger Statistical Plan.

Under the provisions of Article X of the Plan of Operation, a proposed Rule of Operation becomes effective either upon approval by the Commissioner of Insurance, or upon expiration of 30 days from the time of submission, provided that no public hearing was requested within 5 days by an interested party and the Commissioner has not otherwise disapproved the Rule change within the 30-day period.

Inasmuch as no public hearing was requested by any interested party within 5 days of the Rule being submitted and the proposed Rule has not been disapproved by the Commissioner of Insurance within 30 days of this submission, the amended Rule is deemed effective May 15, 2009, as provided in Article X of the Plan of Operation.

Please bring these changes to the attention of all interested parties. The Rules of Operation, including all approved changes, are available on CAR's website.
