COMMERCIAL LINES NOTICE NO. 147

Revised Commission Schedule – Taxi/Limousine/Car Service

Please be advised that on April 21, 2021, CAR's Governing Committee approved a revised commission schedule for Taxi, Limousine, and Car Service vehicles. The revised schedule will be implemented for policies effective January 1, 2022 and subsequent, coincident with the combined Commercial Automobile Programs. The new commission rates will be incorporated into the 2022 interim ceding expense allowance calculations to be distributed early next year, and will be incorporated into CAR's next commercial residual market rate filing.

For policies effective January 1, 2022 and subsequent, Servicing Carriers are directed to implement the revised commission rates shown below expressed as a percentage of written premium.

| <u>Class Type</u> | <u>Commission Rate</u> |
|-------------------|------------------------|
| Taxi | 8.34% |
| Limousine | 8.34% |
| Car Service | 8.34% |

Questions may be directed to the undersigned at tgalligan@commauto.com.
