COMMERCIAL LINES NOTICE NO. 152

CAR Commercial Rates Placed on File Effective November 1, 2022
SERFF Tracking Number: CARI-133101346

On July 15, 2022, the Division of Insurance placed on file the Commercial Automobile Insurance Manual Rates applicable to commercial policies with effective dates of November 1, 2022 and subsequent that are ceded to CAR. In addition, the corresponding CAR Commercial Automobile Insurance Manual Rules, Rate Pages, and Experience Rating Plan have also been approved.

The approved rates incorporate changes from the original filing to variable expenses included in the base rates for all non-zone rated classifications. Please refer to the Implementation Instructions for a detailed list of changes.

The Commercial Automobile Insurance Manual Rules, Rates, Experience Rating Plan, and Implementation Instructions are available on the Manuals page of CAR's website.
