COMMERCIAL LINES NOTICE NO. 170

Commercial Residual Market Rule/Form Filing Placed on File
SERFF Tracking Number: CARI-134815486

On March 23, 2026, the Division of Insurance placed on file the Massachusetts Commercial Residual Market rule and form filing for policies effective March 23, 2026 and subsequent. Servicing Carriers will be expected to implement this change no later than 90 days subsequent to the approval date.

The filing included amendments to the Rule 46 – Pollution Liability and the adoption of the On-Hook Coverage Endorsement (CA 04 52 11 20) including updates to Rule 95 to instruct carriers on the appropriate use of the endorsement. Please refer to Commercial Lines Notice No. 169 for additional details.

The updated Commercial Automobile Insurance Manual Rules are available on the Manuals page of CAR's website.

Questions should be directed to CAR's Actuarial and Statistical Services Department at ActStatDept@commauto.com.
