FAIR CREDIT REPORTING ACT: In connection with your application for insurance and as part of our normal underwriting procedure, an investigative consumer report may be obtained, including, if applicable, information as to character, general reputation, personal characteristics and mode of living. This information is obtained through personal interviews with your triends, neighbors and associates. Upon written request, received within a reasonable time, additional detailed information concerning the nature and scope of this investigation will be provided.

NOTICE: If you or someone else on your behalf gives us false, deceptive, misleading or incomplete information in this application and if such false, deceptive misleading or incomplete information increases our risk of loss, we may refuse to pay claims under any or all of the Optional insurance Parts and we may cancel your policy. Such information includes the description and the place of garaging of the vehicle(s) to be insured, the names of operators required to be listed and the answers to questions in this application about all listed operators. Check to make certain that you have correctly listed all operators and the completeness of their previous driving records. The Merit Rating Board may verify the accuracy of the previous driving records of all listed operators, including that of the applicant for this insurance.
