I intend that this agreement create a valid trust under the laws of Massachusetts and under the laws of any state in which any trust created under this agreement is administered. The terms of this trust agreement prevail over any provision of Massachusetts law, except those provisions that are mandatory and may not be waived.

#### Section 1.01 IDENTIFYING MY TRUST

My trust may be referred to as: DATED December 14<sup>TH</sup>, 2015.

For the purpose of transferring property to my trust, or identifying my trust or in any beneficiary or pay-on-death designation, any description referring to my trust will be effective if it reasonably identifies my trust. Any description that contains the date of my trust, the name of at least one initial or successor Trustee and an indication that my Trustee is holding the trust property in a fiduciary will be sufficient to reasonably identify my trust.
