# The Commonwealth of Massachusetts William Francis Galvin

Minimum Fee: \$250.00

Secretary of the Commonwealth, Corporations Division One Ashburton Place, 17th floor Boston, MA 02108-1512 Telephone: (617) 727-9640

Articles of Organization

(General Laws: Chapter 1990, Section 2.02; 950 CMR 113 16)

Federal Employer Identification Number:

st be 9 digits)

#### **ARTICLE 1**

The exact name of the corporation is:

### PINTO SERVICE INC

#### ARTICLE II

Unless the articles of organization otherwise provide, all corporations formed pursuant to G.L. C156D have the purpose of engaging in any lawful business. Please specify if you want a more limited purpose:

#### **ARTICLE III**

State the total number of shares and par value, if any, of each class of stock that the corporation is authorized to issue. All corporations must authorize steck. If only one class or sales is authorized, it is not necessary to specify any particular designation.

| Class of Stock | Par Value Per Share<br>Enter 0 If no Per | of Organization | zed by Articles<br>or Amendments | Total Issued<br>and Outstanding                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

G.L. C158D eliminates the concept of par value, however a corporation may specify par value in Article III. See G.L. C156D Section 6.21 and the comments thereto.

#### **ARTICLE IV**

If more than one class of stock is authorized, state a distinguishing designation for each class. Prior to the issuance of arry shares of a class, if shares of another class are outstanding, the Business Entity must provide a description of the preferences, voting powers, qualifications, and special or relative rights or privileges of that class and of each other class of which shares are outstanding and of each series then established within any class.

### NONE

#### **ARTICLE V**

The restrictions, if any, imposed by the Articles of Organization upon the transfer of shares of stock of any class are:

#### NONE

#### **ARTICLE VI**

|                                                | A: Yes.                                                                                |
| 3                                              | Q: does Joel remember where he bought this policy for insurance from?                  |
|                                                | A: In Ever.                                                                            |
| 3                                              | Q: In Everett; is that what he's saying, the City of Everett.                          |
|                                                | A: Yes.                                                                                |
| 3                                              | Q: Does he remember who he talked with when he went there?                             |
|                                                | A: Yes, I do, but I think his name is Leondo or something.                             |
| 3                                              | Q: And is Leondo or Leondro Spanish as well?                                           |
|                                                | A: Yes.                                                                                |
| 3                                              | Q: All right. When you went there to buy the insurance, how did you pick that          |
|                                                | agency to go to? Did someone tell him to go there or how did he find them?             |
|                                                | A: Yes, somebody made a connection there.                                              |
| 3                                              | Q: Who made the connection there?                                                      |
|                                                | A: A friend of mine.                                                                   |
| 3                                              | Q: What's his friend's name?                                                           |
|                                                | A: No, he's not over here, he already left for his country.                            |
| 5                                              | Q: Does Joel know what a catering company does?                                        |
|                                                | A: No.                                                                                 |
| 5                                              | Q: Does Joel own a catering company?                                                   |
|                                                | A: No.                                                                                 |

|---------|-----------------------------------------------------------------------|
| 6       | Q: Did he ever set up a business in his own name for whatever reason? |
|         | A: No.                                                                |
| 6       | Q: Did he ever give anyone permission to set one up for him?          |
|         | A: No.                                                                |

This is Ed Spellman and I'm speaking from

Massachusetts. Today's date is January 6, 2014 and the time is now approximately 5:30 p.m.

I'm speaking with Joel B. Ochoa regarding his automobile police that he has with us.

- Q. Joel, this conversation is being recorded. Is this being done with your permission, sir?
- A. Yes.
- Q. Joel, what's your date of birth please for the record?
- A.
- Q. And Joel, do you have a driver's license?
- A. No, I don't.
- Q. Is it that you don't have a driver's license from Massachusetts or just no driver's license from anywhere?
- A. No, for anywhere.
- Q. All right. How many vehicles does Joel own?
- A. It's three vehicles.
- Q. And can he identify those vehicles for me, what they are?
- A. Yes, one of them is a Nissan Altima, the other one it's a Honda and the other one is a Cherokee.
- Q. What's the last one? Interpreter, can you ask him to clarify what the last vehicle is, is it a Jeep Cherokee; is that what he's trying to say?
- A. Yes, it is a Jeep Cherokee.
- Q. And who drives those vehicles?
- A. Yes, well since I work in Boston, sometimes I drive one there and sometimes I drive another one; however, the other one since it's a 4 x 4 I use it for the snow.
- Q. Does anyone else drive those vehicles?
- A. No, just me.
- Q. What about his friend Armando? Armando indicates that he drives the Honda, the Honda is Armando's car; is that wrong or is that accurate?

- A. Yes, the Honda belongs to him.
- Q. But Joel insures it; is that correct?
- A. Yes, yes.
- Q. Is that because Armando couldn't get insurance under his own name; correct?
- A. Yes, that is correct.
- Q. Do Armando and Joel work together?
- A. Yes, we work differently; however, in the same restaurant.
- Q. Okay. Which restaurant do they work in?
- A. At the Cheesecake.
- Q. Is he referring to the Cheesecake Factory?
- A. Yes.
- Q. Where is the Cheesecake Factory that they work at?
- A. In Braintree.
- Q. South Shore Plaza?
- A. I'm sorry, this is the interpreter, would you mind repeating the information?
- Q. Sure. The Cheesecake Factory over at the South Shore Plaza?
- A. Yes, the one in Braintree in Burlington.
- Q. Do they work at both the one in Braintree and Burlington or just one or the other?
- A. Yes, each one of us works at a different one.
- Q. Okay. Which one does Joel work at?
- A. In Braintree.
- Q. And does Armando work at the one in Burlington?
- A. Yes.

Q. Does Joel remember where he bought this policy for insurance from? A. I'm sorry sir, do you mind if I repeat the question? Q. Nope, go ahead. A. In Ever. Q. In Everett; is that what he's saying, the City of Everett? A. Yes. Q. And does he remember the name of the agency that he bought the insurance from? A. Yes, I do have a few receipts from there where I've paid my bills. Q. What was that, say that again interpreter, I'm sorry. A. I asked the client if he knew the name of the place... of the agency where he bought the policy and he said yes I have a few receipts of where I paid my bills. Q. Okay. Does he remember the name though; could he tell me what the name of it is? A. (No audible response). Q. Does he remember who he talked with when he went there? A. Yes, I do, but I think his name is Leondo or something. Q. And is Leondo or Leondro Spanish as well? A. Yes. Q. Al right. When you went there to buy the insurance, how did you pick that agency to go to? Did someons tell him to go there or how did he find them? A. Yes, somebody made a connection there. O. Who made the connection there? A. A friend of mine. Q. What's his friend's name?

A. No, he's not over here, he already left for his country.

- Q. What was his friend's name and what country did he leave for?
- A. He went to Guatemala.
- Q. And what was his name?
- A. I don't remember the boy's name. It's been awhile since he left.
- Q. Why is it that the friend told him to go to this particular place?
- A. I think he had his car insured there as well.
- Q. When he went there, which car did he insure first? Was it the Honda, the Jeep or the Nissan?
- A. The Honda.
- Q. And when he went there, does he remember where he bought the Honda from?
- A. Yes, in Everett we bought it.
- Q. Okay. Does he remember where in Everett that they bought it?
- A. My cousin bought the Honda.
- Q. And what's his cousin's name?
- A. It is Armando.
- Q. And what's Armando's last name?
- A. It is
- Q. Is it or I
- A
- Q. When he went to the agent, does he remember how much that he paid them?
- A. Yes, when I opened the insurance policy, I paid \$1,120.
- Q. And does he remember how he paid that? With cash or did he pay by check?
- A. Yes, when I got the insurance I paid the money in cash.

- Q. And when he did that, did they explain to him what they were doing for him, what did they tell him the money was for?
- A. They told me it was the charge for opening an insurance.
- Q. Does loel know what a catering company does?
- A. No.
- Q. Does Joel own a catering company?
- A. No.
- Q. Does Joel have a corporation?
- A. I don't know what that is.
- Q. Does Joel know that... actually let me rephrase that, did Joel ever register a corporation with the Secretary of State?
- A. No.
- Q. Did Joel ever apply for a federal employee identification number?
- A. I'm sorry, could you please repeat the question?
- Q. Sure. Did Joel ever apply for a federal employee identification number and that's different than an IT number.
- A. There they asked me for the IRS number.
- Q. Where and who asked him for the IRS number?
- A. When I gave my insurance.
- Q. Over in Everett?
- A. In Everett?
- Q. Yes. They asked him for his IT number; is that what he is trying to say?
- A. Yes.
- Q. All right. I need to know, does he know that an IT number and a federal employee identification number are different?

- A. I don't really know.
  - Q. Did he ever set up a business in his own name for whatever reason?
  - A. No.
  - Q. Did he ever give anyone permission to set one up for him?
  - A. No.
  - Q. And is the reason that you have... does he know what type of auto policy he has?
  - A. The type of policy?
  - Q. Yes.
  - A. I don't know. No, I don't know what type.
  - Q. Has he ever had to go back to that agency for any reason?
  - A. No.
  - Q. Has he ever paid anymore moneys to them other than the money he paid initially?
  - A. Yes, after I opened it, I paid every month.
  - Q. How is that he makes payments there?
  - A. With a money order.
  - Q. And where does he get this money order? Does he go to the same place or...
  - A. I'm sorry sir; I'm going to ask the question again.
  - Q. Okay.
  - A. Yes, I take it here at Lien or at 7-Eleven and then I go and pay it to the store, to the insurance.
  - Q. And does he fill out the money order or do the people at the insurance do it for him?
  - A. No they give it to me all at once at the 7-Rleven.
  - Q. All right. How does he know how much he owes each month?
  - A. Because I get the bill at my home.

- Q. And is that bill in his name?
  - A. Yes.
  - Q. All right, the bill says Joel Ochoa on it?
  - A. Yes.
  - Q. Does he look at the bills?
  - A. Yes, I look at them.
  - Q. Can Joel read English?
  - A. No, I don't.
  - Q. When Joel initially paid the \$1,125 to the insurance agent, did he get a receipt for that?
  - A. Yes, they did, but I don't remember if I have it in the car or where I have it.
  - Q. Did Joel understand all the questions that I asked him?
  - A. Yes, I do.
  - Q. Were all of his answers true to the best of his knowledge?
  - A. Yes.
  - Q. Did he understand all the interpretations? Was there any problem with language or anything like that? He fully understood every question; correct?
  - A. No, I understood everything.
  - Q. And was this conversation recorded with his permission?
  - A. I will repeat the question.
  - Q. Okay.
  - A. I'm sorry, sir, I did not understand what he said. Oh, yes.
