

Expenses of the MAIP, including all costs of operating the MAIP and all costs, charges, expenses and liabilities and all income, property and other assets which the Governing Committee determine not to be properly chargeable to the profit or loss of risks placed in the MAIP by Members, shall be shared among each Member based upon the proportion that each Member's Massachusetts direct written motor vehicle premiums which are reported on its Annual Statement for the most recent calendar year bear to the total of such premiums for all Members. Assessments for the expenses of the MAIP shall be levied on a quarterly basis or as frequently as the Governing Committee deems necessary.

Premium from those classifications and/or coverages that are not statistically reportable to the MAIP (those classes or coverages not specified in the Massachusetts Private Passenger Statistical Plan) and all premium from Antique Vehicles (Classification Code 0483) is excluded from this calculation.
