A. General Provisions

The Massachusetts Automobile Insurance Plan (MAIP) has been created to provide Private Passenger Motor Vehicle Insurance to Eligible Risks, as defined by Rule 22, who seek and are unable to obtain such insurance through the voluntary market, and to assure that the risks written through the MAIP are distributed equitably based upon the Quota Share of each Member as defined by Rule 22.

The Rules of Operation of the MAIP are adopted in accordance with CAR's Plan of Operation in order to implement the MAIP and shall be effective July 16, 2007, subject to the provisions for the phase-in of placements through the MAIP pursuant to Section B. and the constraints identified in Section D.

B. Provisions for the Phase-In of Placements Through the MAIP

In order to achieve a smooth transition from the reinsurance facility administered by Commonwealth Automobile Reinsurers (the CAR pool) to the MAIP, the placement of Eligible Risks through the MAIP will not begin until April 1, 2008 pursuant to Section B.2. and will, at first, be limited to New Business. The placement of all other business through the MAIP will be subject to a gradual process. The first, limited category of risks that must be placed through the MAIP if declined in the voluntary market will also begin for policies effective on or after April 1, 2008 pursuant to Sections B.2. and 3. Only as of April 1, 2009 must all risks that are declined in the voluntary market be placed through the MAIP pursuant to Section B.4. Additionally, constraints on business that cannot be non-renewed are imposed pursuant to Section D. This measured approach is necessary to ensure that the MAIP is not overwhelmed in its initial operation and to allow CAR time to implement the administrative framework of the MAIP. To achieve these benefits, the following Rules apply to eligibility for ceding to the CAR pool and to eligibility for placement through the MAIP on or after July 16, 2007:

1. Beginning on July 16, 2007, the MAIP Rules become effective, but no business can be placed through the MAIP until April 1, 2008. Members who are eligible to cede pursuant to CAR Rules may continue to cede to the CAR pool new or other Private Passenger Motor Vehicle Insurance business, including renewal business, with policy effective dates from July 16, 2007 through March 31, 2008.

2. All New Business, pursuant to Rule 22, with policy effective dates on or after April 1, 2008, must either be written voluntarily or be declined and referred for placement through the MAIP. These declined risks can no longer be ceded to the CAR pool as of April 1, 2008.
3. All Private Passenger Motor Vehicle Insurance business, including renewal business, with policy effective dates on or after April 1, 2008 that has 10 or more merit rating points, as determined by the MAIP rate manual rules, must either be written voluntarily or declined and referred for placement through the MAIP. These risks can no longer be ceded to the CAR pool as of April 1, 2008.
4. All Private Passenger Motor Vehicle Insurance business with policy effective dates on or after April 1, 2009, must either be written voluntarily or be declined and referred for placement through the MAIP. These risks can no longer be ceded to the CAR pool as of April 1, 2009.

The last policy effective date on which any risk can be ceded to the CAR pool is March 31, 2009.

 - 3. Pursuant to Rule 29.F.2., at no time may an applicant or policyholder request reassignment to a different Member if any outstanding premium balance is due the ARC. Furthermore, an applicant or policyholder may not for any reason request reassignment to a specific Member under this Section.
 - 4. If the reassignment of an applicant or a policyholder pursuant to Rule 26.B.1. results in assignment to a Member that has executed a Limited Assignment Distribution Agreement (LADA) with the ARC from which the applicant or the policyholder has requested reassignment, the MAIP shall apply the reassignment process until the applicant or the policyholder obtains insurance from another ARC.

C. Clean-in-Three Risks

All Clean-in-Three Risks with renewal dates during the period April 1, 2008 through March 31, 2014, shall not be non-renewed by a Member, subject to the exceptions identified in Rule 21.D.

D. Re-Eligibility for the MAIP

Applicants eligible for assignment in accordance with Section A. are subject to the following re-eligibility requirements.

1. New Application

Any applicant denied insurance under Section A. or cancelled under Section E. of this Rule may reapply to the MAIP as soon as the cause of ineligibility is removed.

- a. Applicants cancelled for non-payment of premium may reapply for assignment at any time provided no earned premium is owed the previous assigned company.
- b. If an applicant cancelled for non-payment of premium reapplies, provided such applicant is otherwise eligible, the application shall be accompanied by the deposit pursuant to Rule 28.
- c. Such application shall be considered a new application and the applicant shall be assigned to a Member pursuant to Rule 29 or reassigned to the prior Member, if applicable.

2. Renewal Application

Any policyholder, who fails to pay the renewal premium quoted by the ARC in accordance with these Rules, may reapply for assignment at any time.

- a. If the applicant reapplies, provided the applicant is otherwise eligible, the application shall be accompanied by the deposit pursuant to Rule 28.
- b. Such application shall be considered a new application and the applicant shall be assigned to a Member pursuant to Rule 29.

E. Cancellations

If a policy is cancelled by the ARC at any time or by the insured within 30 days of the effective date or the receipt of the policy, whichever is later, the return premium shall be computed pro rata. Policy in this instance includes the copy of the coverage selections page showing the final policy premium.

Nothing in these Rules should be construed to change the statutory obligations of companies to their producers or policyholders with regard to policy non-renewal or cancellation.

1. Cancellation at the Request of the Policyholder

If the policy is cancelled at the request of the insured later than 30 days from the effective date or later than 30 days from the receipt of the policy, whichever is later, the return premium shall be calculated on a short rate basis except that in the following cases the return premium shall be computed pro rata:

- a. If the policyholder has disposed of the vehicle, provided the policyholder obtains a new policy with the same company on another vehicle to become effective within 30 days of the date of cancellation;
- b. If the insured vehicle is repossessed under the terms of a financing agreement;
- c. If a vehicle is cancelled from a policy, the policy remaining in force on other vehicle, or if there remains in force in the name of the insured or his spouse, if a resident of the same household, and in the same company, a concurrent vehicle policy covering another vehicle;
- d. If the policyholder enters the military service of the United States of America;
- e. If the insured deletes or reduces any coverage and the policy remains in effect for other coverage;
- f. If the policyholder requests cancellation of a policy because coverage has been replaced in the voluntary market, and provides the ARC written confirmation of the replacement coverage.
- g. Theft of Vehicle or Plates
 - (1) If the insured vehicle is stolen or destroyed (total or constructive total loss) and cancellation is requested by the insured within 30 days following the date the vehicle was stolen or destroyed, the return premium for all coverages (including the premium for the coverages under which loss was

paid) shall be calculated on a pro rata basis from the day following the date of such loss.

- (2) If the insured's registration plates are stolen or destroyed, a lost plate affidavit is to be filed with the Registry of Motor Vehicles canceling only coverage with respect to such plates effective the day following the date of such loss, and the policy shall continue to provide coverage with respect to any replacement plates.
 - (3) If the insured files a lost plate affidavit with the Registry of Motor Vehicles, the company may cancel the policy.
2. Except as otherwise provided by law, no cancellation of the policy, or any of its parts, whether by the company or by the insured, shall be valid unless written notice thereof is given by the party proposing cancellation to the other party at least 20 days in each case prior to the intended effective date thereof. Notice of cancellation sent by the company to the insured and the loss payee at the addresses stated in the policy by regular mail for which a certificate of mailing receipt has been obtained from the United States Postal Service, shall be a sufficient notice and an affidavit of any officer, producer, or employee of the company, duly authorized for the purpose, that he has so sent such addressed as aforesaid, shall be prima facie evidence of the sending thereof as aforesaid.

When the cancellation becomes effective, the company shall electronically transmit the pertinent data to the Registry of Motor Vehicles in the manner prescribed by the Uninsured Motorists System (UMS). The written notice to the insured shall specify the reason or reasons for cancellation if the cancellation affects Part 1 coverage. If the reason for cancellation is non-payment of premium, the Notice of Cancellation shall state the amount of deficiency of the premium owed to the company for all the insurance provided and shall state in substance that the cancellation will not be effective if the insured pays the full amount of such deficiency on or prior to the effective date of the cancellation. If a cancellation of the policy results in a return premium of less than \$5.00, no refund need be made except at the request of the insured, in which case the actual return premium shall be allowed.

No policy in effect prior to a rate level revision shall be endorsed or cancelled and rewritten to take advantage of such a revision or to avoid the application of such a revision.

3. Cancellation by the ARC

- a. An ARC that has issued a policy under the MAIP shall have the right to cancel the insurance for reasons permitted by Massachusetts law, and by giving notice pursuant to the policy.
- b. Each such cancellation shall be on a pro rata basis, subject to a minimum premium of \$25 per motor vehicle or policy whichever is greater, with the balance returned to the policyholder. A copy of each such cancellation notice shall be furnished to the producer of record. A statement of facts in support of each such cancellation, as is required for a statutory notice of cancellation, shall be furnished to the producer of record and to the policyholder 20 days prior to the effective date of cancellation.

Cancellation shall be effective on the date specified and coverage shall cease on that date.

If the ARC issues a cancellation notice for non-payment of premium to the policyholder and the policyholder's remittance received by the ARC subsequent to the issuance of such cancellation notice is justifiably dishonored by the financial institution, the policy will terminate on the date and time shown on the cancellation notice issued for non-payment of premium.

Nothing herein shall be deemed to affect the right of the ARC to cancel a policy for fraud, misrepresentation, or to invoke other remedies provided by law.

An Eligible Risk, as defined in Rule 22 – Definitions, may choose to purchase up to the following limits for Private Passenger Motor Vehicle Insurance and, upon request, the Assigned Risk Company (ARC) shall provide such coverage. An ARC is not required to provide coverage for any higher limits unless the ARC agrees to do so at the request of an Eligible Risk.

1. Bodily Injury Liability: Total policy limits of \$250,000 each person, \$500,000 each accident;
2. Personal Injury Protection: \$8,000 per person, per accident;

7. Physical Damage Insurance, which shall mean: (a) collision coverage or limited collision coverage, (b) fire and theft coverage, or (c) comprehensive coverage, as those coverages are defined in the Private Passenger Motor Vehicle Insurance policy approved for the MAIP. Assigned Risk Companies must charge the extra risk rate or, in the alternative, refuse to issue collision, fire, theft or comprehensive coverage under any of the following circumstances:
 - a. Comprehensive, fire and theft or collision coverage on a vehicle customarily operated by or owned by persons convicted within the most recent five-year period of any category of vehicular homicide, Motor Vehicle Insurance related fraud or motor vehicle theft;

The Commissioner may designate as a high-theft vehicle any motor vehicle, classified according to make, model and year of manufacturer, which has both above average incidence of theft and above-average original sales price, and may approve discounts for appropriate anti-theft or auto recovery devices for such motor vehicles.
8. An ARC may waive any deductible amount applicable to a payment under comprehensive coverage for glass damage and be reimbursed, when the policyholder has elected to repair rather than replace damaged glass as permitted by law and where satisfactory proof of the repair has been presented to the company.
9. Towing and Labor: \$100.00 per disablement; and
10. Substitute Transportation: \$100.00 per day, 30-day maximum.

A. Submitting an Application to the MAIP

To obtain MAIP coverage for an Eligible Risk an Assigned Risk Producer (ARP) must submit an electronic application for private passenger motor vehicle insurance coverage to the MAIP.

ARPs must assure that the application for insurance through the MAIP is submitted on the prescribed form and that each application is completed accurately and thoroughly. An application that contains information the MAIP verifies as incorrect or an incomplete application will be returned to the producer for remedy. Once the application for coverage through the MAIP is received and all required information for the assignment of the policy is provided, the MAIP will assign a certification number to the application.

B. Assignment of Application to a Member

An application with a certification number will be randomly assigned to a Member based on its Quota Share as specified in Rule 29 – Assignment Process. The MAIP will notify the ARC of the policy assignment. The MAIP will notify the ARP of the identity of the ARC which will issue the policy and the effective date of the coverage.

Once the policy has been assigned to an ARC, after receiving such notice, the ARP is responsible for providing the ARC with the following items within two working days as specified in Rule 31.B.5:

1. The original application form and any supplemental or additional information, signed by the applicant and the ARP, and if applicable, a copy of the voluntary premium quote or voluntary premium quote identification number; and
2. The required deposit premium as specified in Section C.1.

C. Premium Deposit and Payment Options

1. Amount of Premium Deposit

A deposit of the amount noted in Section C.1.a. shall accompany the application for MAIP coverage. The applicant, at his option, may choose to make a larger deposit payment. The deposit shall be in the form of a personal check, certified check, bank check, money order, premium finance company check or ARP's check made payable to the

ARC. In the event that an ARP submits a dishonored check, issued either by the agency or by the ARP individually, on one or more occasions during a one-year period, future payments for the next 12 months must be submitted by certified check, bank check, or money order.

- a. If a voluntary quote is obtained by the ARP the new business deposit shall be determined based upon the lower of the MAIP quoted premium or the ARC voluntary quoted premium. The applicant will be required to provide a deposit of 30% with the deposit calculated using whichever total premium is less. If a voluntary quote is not obtained, a deposit of 25% of the MAIP quoted premium is required.

However, the applicant will be required to provide a premium deposit of 80% of the MAIP premium, or if known, 100% of the ARC's voluntary premium, if the applicant has during the preceding 24 months been issued a notice of cancellation for non-payment of an automobile insurance premium which resulted in the cancellation of that policy.

The ARC shall send the applicant a notice of any additional or return premium adjustment to the deposit premium at the same time as the issuance of the coverage selections page. The applicant may be required to pay any additional deposit premium within 30 days of the issuance of the coverage selections page, and the ARC may not issue a cancellation notice for non-payment of premium during this 30 day period. Any return premium adjustment to the deposit shall be sent to the applicant within 30 days of the issuance of the coverage selections page.

- b. A deposit of 20% is required for a renewal policy. An ARC may elect to require more than a 20% deposit for a renewal policy if the policyholder during the preceding 24 months has been issued a notice of cancellation for non-payment of an automobile insurance premium which resulted in the cancellation of that policy.
- c. All deposit, installment and additional premium payments shall be submitted gross of any commissions. Commission to the ARP will be paid in accordance with Rule 37 – Commissions.

2. Installment Plan

Each ARC will utilize the installment payment plan filed by Commonwealth Automobile Reinsurers for MAIP business. The plan will require an initial deposit payment for new and renewal business pursuant to Section C.1. Upon receipt of the new business deposit, the ARC will then calculate the balance of the premium owed on the basis of the lower of the MAIP rate or the ARC rate and the insured will pay that premium balance over nine equal monthly installments. The deposit for renewal business will be a percentage of the premium calculated using the lower of the ARC's rate or the MAIP rate. The remaining balance will be paid over nine equal monthly installments.

For policies effective prior to August 1, 2015, a flat fee of \$6.00 per installment finance charge will apply until the entire balance is paid.

For policies effective August 1, 2015 and subsequent, a flat fee of \$8.00 per installment finance charge will apply until the entire balance is paid.

3. Dishonored Check Charge

For policies effective prior to August 1, 2015, a dishonored check fee of \$25 will be charged to an applicant or policyholder issuing a check that is dishonored by the financial institution to which the check is presented for payment.

For policies effective August 1, 2015 and subsequent, a dishonored check fee of \$29 will be charged to an applicant or policyholder issuing a check that is dishonored by the financial institution to which the check is presented for payment.

4. Late Fee or Cancellation Fee

For policies effective prior to August 1, 2015, a policyholder who fails to pay an installment premium by the applicable due date will be charged a late fee or cancellation fee of \$25.

For policies effective August 1, 2015 and subsequent, a policyholder who fails to pay an installment premium by the applicable due date will be charged a late fee or cancellation fee of \$29.

5. Agency Acceptance of Payments

Acceptance of payment by the ARP shall be viewed as a payment to the ARC.

6. Premium Financed Policies

The standards pertaining to premium financing for policies issued through the MAIP must be consistent with state laws and regulations.

A. Calculation of Initial Quota Share

For the purposes of calculating a Member's initial Quota Share, the Member's voluntary market share will be the ratio of each Member's written property damage liability exposures for the 12-month period ending June 30, 2007 with CAR ID codes 0 or 1 over the industry written exposures for the 12-month period ending June 30, 2007 with CAR ID 0 or 1. Exposures for motorcycles, snowmobiles, and electric motor vehicles will be adjusted by a factor of 0.33.

B. Assignment of Applications

The MAIP shall randomly assign applications that are eligible for coverage based on each Member's individual Quota Share. A Member's Quota Share shall reflect that Member's proportion of Private Passenger Motor Vehicle MAIP premiums that its respective voluntary private passenger property damage liability direct written exposures bears to the statewide total of voluntary private passenger property damage liability direct written exposures of all companies in the state.

1. For the purpose of such distribution as described above: (1) voluntary private passenger property damage liability direct written exposures; and (2) private passenger MAIP premiums shall be defined as below:
 - a. Voluntary private passenger property damage liability direct written exposures shall be the number of private passenger property damage liability car years written by the company for the most recent 12 months, regardless of the type of Motor Vehicle Insurance policy under which such property damage liability car years are written, excluding private passenger liability car years written through the MAIP. Exposures for motorcycles, snowmobiles, and electric motor vehicles will be adjusted by a factor of 0.33.

Exposures of a Clean-in-Three Risk as defined in Rule 22 as of the effective date of its current Private Passenger Motor Vehicle Insurance policy and pursuant to the provisions of Rule 21.D. will be adjusted by a factor of 0.0 provided the following conditions are met:

- (1) The operator was insured by a Member under a Private Passenger Motor Vehicle Insurance policy with an effective date between April 1, 2008 and March 31, 2009 and the producer of record was exclusively assigned to the Member by CAR;
 - (2) The producer of record for the operator has not changed since March 31, 2009.
- b. For the purpose of establishing the Quota Share of a Newly Writing Company that becomes eligible for appointment as an ARC pursuant to Rule 30 before that Member is required to submit detailed statistical data under the provisions of the Massachusetts Private Passenger Automobile Statistical Plan, the Member is required to report interim summary data pursuant to Section C.
 - c. Private Passenger Motor Vehicle MAIP premiums shall be developed from the MAIP rates and rating plan and shall include the total of: 20/40 bodily injury (including guest), \$100,000 property damage liability, and \$8,000 personal injury protection manual premiums excluding subsidies calculated using MAIP cost-based rates and adjusted for the MAIP merit rating plan for Private Passenger Motor Vehicle MAIP insureds and any risk voluntarily insured that is eligible for premium credits allowed pursuant to this Rule.
2. MAIP will assign applications to the most undersubscribed Member as defined by the ratio of the Member's assigned MAIP premium to the Member's credit-adjusted Quota Share. In the event this ratio is the same for two or more Members, MAIP will assign the application to the most undersubscribed of those Members based upon the difference between each Member's assigned MAIP premium and its credit-adjusted Quota Share. All assignments are subject to the distribution restrictions relative to the assignment process pursuant to Section F. After assignment, MAIP will update the accumulated assigned MAIP premium and recalculate each Member's ratio of assigned MAIP premium to credit-adjusted Quota Share.

C. Quota Share Adjustment

The MAIP shall adjust the assigned premium Quota Share of each Member monthly, in order to correct for the amount of previously assigned MAIP premium which was less than or in excess of each

Member's appropriate share of total MAIP premium, for the amount of premium connected with reversed assignments due to non-payment or insufficient funds, and for the amount of premium associated with MAIP risks moving to the voluntary market or adjustments for any applicable credits. On a monthly basis, the MAIP shall notify each Member of its market share and premium Quota Share adjustments.

1. To determine the current premium Quota Share of a Newly Writing Company that becomes eligible for appointment as an ARC pursuant to Rule 30.A.1. before that Member is required to submit detailed statistical data under the provisions of the Massachusetts Private Passenger Automobile Statistical Plan, the Member is required to report interim summary data to CAR beginning no later than the 23-month anniversary of the calendar date on which the Member's initial Private Passenger Motor Vehicle Insurance rates and manual become effective. The Member will be required to report private passenger property damage liability car months of exposure by CAR identification code, policy effective month, premium town, classification, and merit rating status as defined in the Massachusetts Private Passenger Automobile Statistical Plan. The initial report will include the 12 consecutive policy effective months that will be used to determine the Member's initial Quota Share. Monthly data will be reported thereafter until the Member commences reporting detailed statistical data to CAR.

An additional adjustment shall be made to the latest rolling 12-month voluntary exposure based market share that is used to determine the current premium Quota Share of a Member(s) when that Member(s) is part of an insurer group that includes any other insurance company that qualifies as a Newly Writing Company, and that Newly Writing Company has elected to be treated as a Member separate from the current Member(s) under these Rules. This adjustment shall continue until the Newly Writing Company become eligible for appointment as an ARC pursuant to Rule 30.

The latest rolling 12-month voluntary exposure based market share used to determine such Member(s) current premium Quota Share shall not be adjusted to reflect any reduction in vehicle exposures that were insured under a Private Passenger Motor Vehicle Insurance policy issued voluntarily by such Member(s) immediately prior to the vehicle's initial policy inception date with such Newly Writing Company.

This adjustment will apply regardless of whether the initial policy inception date with the Newly Writing Company pre-dates the calendar months underlying the latest rolling 12-month voluntary exposure based market share used to determine the Member(s) current premium Quota Share.

2. To determine the current premium Quota Share of a Newly Writing Company that becomes eligible for appointment as an ARC pursuant to Rule 30.A.2 before that Member is required to submit detailed statistical data under the provisions of the Massachusetts Private Passenger Automobile Statistical Plan, the Member is required to report interim summary data to CAR. The Member shall begin reporting summary data no later than 45 days after the close of the month of the Member's initial Private Passenger Motor Vehicle Insurance rates and rate manual effective date. The Member will be required to report written private passenger property damage liability car months of exposure by CAR identification code, policy effective month, territory, classification, and merit rating status as defined in the Massachusetts Private Passenger Automobile Statistical Plan. Monthly summary data will be reported thereafter until the Member commences reporting detailed statistical data to CAR.

D. Assignment Period

1. An Eligible Risk shall be insured by a designated ARC for a period of three consecutive years.

At the expiration of the three year assignment period, the designated ARC may offer to write the policy on a voluntary basis, or may non-renew the policy.

2. If the designated ARC intends to non-renew the policy at the end of the three year assignment period the following procedures shall apply.

On or about the first business day of the month, the designated ARC will distribute to the ARP a list of policies that the ARC does not intend to renew and which will expire during the month at least 120 days from the distribution date, thereby providing the ARP an opportunity to seek replacement coverage in the voluntary market. If replacement coverage is obtained for the risk, the ARP shall submit a Notice of Transfer of Insurer to the former ARC identifying the new carrier.

No less than 60 days prior to the expiration date, if replacement coverage is not obtained for the Eligible Risk, the ARP shall submit an application to the MAIP. The application will be assigned to a Member such that the designated ARC is different than the former ARC. Upon receiving the assignment, the ARP shall submit a Notice of Transfer of Insurer to the former ARC identifying the newly designated ARC. A down payment is not required and upon receipt of the application, the newly designated ARC will bill the applicant for 20% of the premium to be charged, which shall be the lower of the MAIP premium or the voluntary premium for which the applicant qualifies. The pre-inspection requirement shall be waived provided that the vehicle(s) to be insured is the same as the vehicle(s) insured under the previous policy.

If a Notice of Transfer of Insurer is not received, the designated ARC will issue a Notice of Expiration of Policy Assignment to the named insured at least 45 days prior to the expiration date with a copy sent to the ARP.

Upon receipt of the Notice of Expiration of Policy Assignment, the Eligible Risk may reapply for coverage through the MAIP. Such reapplication shall be considered a new business application and the Eligible Risk shall be assigned to a different Member such that the designated ARC is different than the former ARC.

3. In the case of a non-resident military person, pursuant to Rule 26.A.1.c., the designated ARC need not renew if at the time of the renewal the policyholder is stationed in another state and his motor vehicle is not registered in Massachusetts.

E. Credit Programs

Credits shall be reviewed annually and submitted to the Commissioner for approval. Any premium credited under this Rule that in aggregate exceeds 100% of the overall Quota Share may not be credited against the Quota Share.

1. Voluntary Credit
 - a. For policies with effective dates of April 1, 2015 and subsequent, a Member shall receive a credit for any exposure that it insures voluntarily in the territory and operator classes pursuant to Sections E.2. and E.3.

- b. Credit shall be applied to the Member's Quota Share pursuant to Section C. for the appropriate premiums pursuant to Sections E.2. and E.3.

2. Amount of Credits

Members shall receive credit for each exposure written voluntarily pursuant to Section E.1.b. in the territory and operator classes listed in Section E.3. The amount of credit shall equal the annual Private Passenger Motor Vehicle MAIP premium for the risk as if it has been insured through the MAIP, multiplied by the appropriate factor as displayed in the policy effective date tables.

For policies with effective dates of April 1, 2013 and subsequent, the factor will be determined based on a review of the three most recent prior years of residual market share data, by territory and operator class. Credit eligible groups will be defined by ranges of residual market shares, and credit factors will be established in accordance with the following criteria:

Residual Market Group	Residual Market Share Range	Voluntary Credit Factor

4. Take-Out Credit

For policies with effective dates on or after April 1, 2009, a Member shall receive credit for each exposure previously insured through the MAIP or that had been ceded to CAR (CAR ID Codes 4 and 5) that it writes voluntarily at the expiration of that policy. A Member may receive a credit for the first year in which an Eligible Risk is written voluntarily after the expiration of the policy previously issued through the residual market.

The value of a take-out credit shall equal the annual Private Passenger Motor Vehicle MAIP premium pursuant to Section B.1.b., that the risk would have been charged if he had been insured through the MAIP, multiplied by a factor of 1.0. Take-out credits are applied in addition to any voluntary credit(s) pursuant to Section E.

To qualify for take-out credit, all of the following requirements must be met:

- a. The Member must provide proper notification prior to the expiration of the policy;
- b. The voluntary policy must be in effect for at least 90 days;
- c. The kinds and amounts of coverage to be offered to a voluntary risk shall at least equal those in the policy being replaced;
- d. The Member shall be required to submit an approved monthly reporting form to the MAIP for all policies qualifying for credit during the month and to submit supporting data to the MAIP upon request; and
- e. The Member shall, if requested by the MAIP, agree to a physical audit of its records to substantiate the credits and exposures stated in the monthly report. The executed request for credit form must be submitted to the MAIP by the last day of the fourth month following the effective date of the policy.

F. Distribution Restrictions

Distribution shall be made on the basis that any applicant eligible for assignment under the MAIP Rules shall be assigned or reassigned to any Member with a Quota Share, subject to the following restrictions:

1. No risk shall be assigned to more than one Member.
2. Reassignment to Prior Member

In the case where an applicant or policyholder has been cancelled for non-payment of premium, or has an outstanding premium balance due a Member and is otherwise eligible for placement through the MAIP pursuant to G.L. c. 175, § 113H, the applicant or policyholder is ineligible for assignment to another Member, and will be assigned to that same Member such that the policy premium deposit will be applied first to the outstanding premium due, and any remaining deposit balance will be applied to the new policy.

G. Accruing, Buying, Selling or Transferring Credits

1. Eligibility
 - a. Assigned Risk Companies may accrue excess credits.
 - b. As of April 1, 2008, ARCs may sell, transfer, or buy excess credits to or from other ARCs in accordance with the procedures below.
2. Operational Procedures

CAR will calculate the volume of excess credit premium eligible for transfer, if any, for each ARC on a monthly basis. Such calculation will be made in conjunction with updates to the statistical base data.

3. Notification of Intent to Transfer Credits

Assigned Risk Companies shall report to CAR within 30 days the execution of any agreement by the ARC to purchase, sell or transfer excess credits. An ARC shall notify CAR by submitting the prescribed authorization form to CAR. The terms of any such agreement must be reviewed by CAR and found to be consistent with CAR Rules.

A. Appointments

The Governing Committee shall appoint ARCs in accordance with the eligibility requirements specified in accordance with the Plan and these Rules. For purposes of determining eligibility, groups of companies under the same ownership and management will be treated as a single Member.

1. A Newly Writing Company whose initial Private Passenger Motor Vehicle insurance rates and rate manual become effective prior to January 1, 2011 will be eligible for appointment as an ARC and be required to accept assignments through the MAIP on the 24-month anniversary of the calendar date on which the Newly Writing Company's initial Private Passenger Motor Vehicle insurance rates and rate manual became effective.
2. A Newly Writing Company whose initial Private Passenger Motor Vehicle insurance rates and rate manual become effective on or after January 1, 2011 shall be eligible for appointment as an ARC as of the effective date of its initial rates and rate manual. The ARC shall be required to accept assignments through the MAIP on the date that MAIP processes the ARC's initial summary data submission pursuant to Rule 29.C.2.
3. A Member may be excused from its private passenger motor vehicle servicing carrier responsibilities for the business assigned to it through the MAIP if the Member executes a Limited Assignment Distribution Agreement (LADA). Rule 36 details the eligibility requirements and procedures applicable to LADAs.
4. In order to assure the protection of the public interest, the Governing Committee, in considering the appointment of an ARC, shall require that the Member has the ability to and will effectively meet the following requirements:
 - a. Provide policy issuance and premium collection services for all eligible classes of risks, except for those classes of risks specifically exempted by the Commissioner;
 - b. Service insurance claims in every state, the District of Columbia and Canada;
 - c. Administer a direct bill program;

- d. Provide an installment payment plan as described in Rule 28 – Application Process. An ARC shall cooperate with ARPs to assure that policyholders are made aware of their option to utilize an installment payment plan;
- e. Maintain a special investigative unit to investigate suspicious or questionable motor vehicle insurance claims for the purpose of eliminating fraud;
- f. Report all required information to the MAIP in an accurate and timely manner;
- g. Adopt and maintain a plan approved by the Commissioner providing for direct payment by the insurer to the insured under collision, limited collision, comprehensive, and fire and theft coverages; and
- h. Use the policy forms, endorsements, new business application and renewal questionnaire filed by the MAIP with and approved by the Commissioner for use in private passenger motor vehicle insurance.

B. Responsibilities

Nothing in this Rule shall be construed to affect the rights of any Member to enter into any third party contractual agreement for the purpose of servicing its voluntary business. Nothing in this Rule shall be construed so as to relieve any Member of its Quota Share or its share of the administrative expenses of the MAIP, as required by G.L. c. 175, § 113H. A Member appointed as an ARC is required to perform the following responsibilities in its capacity as an ARC:

- 1. An ARC must provide quality service to policyholders assigned through the MAIP by maintaining the standards established as a condition of appointment under Section A. Policies and other forms mailed to policyholders shall be the same as those filed by the MAIP and approved by the Commissioner for private passenger motor vehicle business. An ARC shall provide the same level of service to policies assigned to it through the MAIP as it provides to policies it issues voluntarily. At a minimum the ARC shall provide timely access to billing and claim information which will reflect current premium due, payments made, and if applicable, cancellation status and effective date, claim status and claim payments made.

2. Effective September 1, 2012, an ARC shall, for purposes of quoting an assigned Eligible Risk, provide access to its voluntary rates to ARPs by providing either web-based rating capability directly or through a third party comparative rating vendor, or by providing a dedicated toll-free telephone service for quoting purposes.

If an ARC provides access through a third party comparative rating vendor and an ARP wishes to access an ARC's voluntary rates using a third party comparative rater, (1) the ARP will contract with the third party vendor for access to the ARC's voluntary rates and request access to the voluntary rates from the ARC, and (2) the ARC will not withhold permission for gaining access to its voluntary rates for any third party vendor it supports for its voluntary agents.

After an assignment is made, the ARP will obtain from the Eligible Risk any supplemental or additional information needed by the ARC to produce the voluntary quote. The ARC shall provide the quote using the same timeframes applicable to its voluntary market quotes, but in all cases within 48 hours of the receipt of the information necessary to calculate the voluntary premium.

An ARC providing web-based rating capability shall return the voluntary premium quote to the ARP in a printable format. An ARC providing a toll-free telephone service will respond with the voluntary premium quote and include an identification number to be used to match the quote to the new business application upon receipt by the ARC.

3. An ARC shall bill the premium for a policy assigned through the MAIP that is the lesser of the premium calculated using the ARC's rates applicable to that policy if the ARC or its affiliates had issued the policy in the voluntary market and the premium calculated using the MAIP rates on file with the Commissioner. For the purposes of this comparison:
 - a. The ARC, though its affiliated companies, shall quote risk-specific premiums based on the rates applicable to its voluntary policies for any eligible risk obtaining insurance through the MAIP.
 - b. The ARC must use voluntary private passenger motor vehicle insurance rates that are based primarily on actual loss and expense experience for risks voluntarily insured.

The calculation of the premium assigned through the MAIP shall be based on information contained in the application. At the time the assignment is made, the ARC shall provide a form to the Eligible Risk requesting any additional or supplemental information necessary to accurately calculate the premium. The completed form shall be submitted by the ARP to the ARC with the application within two business days. If during the underwriting process an ARC discovers third-party information that appears inconsistent with the information provided on the application for insurance or is inconsistent with any supplemental information, the ARC shall: 1) initiate an inquiry either directly with the insured or through the producer of record to resolve any factual errors; and 2) obtain the insured's consent before issuing a notice of adjustment to the down payment and/or total premium. If the inquiry is made directly to the applicant, the producer of record shall be furnished a copy.

If the resolution of an apparent inconsistency results in a change to information used to calculate premium, the ARC shall charge an appropriate premium based upon the additional or corrected information, and adjust the applicant's next bill accordingly. If, however, the applicant is unwilling to consent to the modification, and the ARC has independent evidence that the applicant had the actual intent to deceive or the material misrepresentation increases the ARC's risk of loss, the ARC may cancel the policy as provided by Massachusetts law.

4. No companies within an insurer group under the same management or ownership or both may provide a different level of service through a company within the group that is not an ARC than is provided to policyholders insured by a company with the group that is an ARC.

5. General Duties

ARCs shall perform the following general duties.

- a. Confirm operator driving licenses and records in order to administer the MAIP merit rating plan and its own merit rating plan accurately;
- b. Verify eligibility criteria;
- c. Verify that information contained in the application for insurance and any supplemental information is accurate as to classification,

garaging, discounts, credits, vehicle use, vehicle description, and, to the extent verifiable, other rating factors;

- d. Assure that a policy has been issued for each RMV-1 and/or RMV-3 certificate and that the policy effective date and the certification date are the same;
- e. Implement procedures to assure collection of premiums billed;
- f. Comply with the terms and conditions of premium finance notes and/or agreements submitted to the ARC on behalf of applicants for insurance, by the producer or by a premium finance company licensed under the laws of the Commonwealth of Massachusetts;
- g. Ensure that there is communication among the ARC's Underwriting, Claims, and SIU Departments and that any discrepancies in information are shared promptly among the departments and documented;
- h. Maintain and forward to the MAIP a copy of all written complaints filed with the ARC regarding the service provided by the ARC or any ARP; and
- i. Monitoring of Assigned Risk Producers

ARCs will be responsible for notifying the MAIP of ARP infractions that may result in the revocation of the ARP's MAIP certification as follows:

- (1) Failure to maintain a valid producer's license as issued by the Division of Insurance;
- (2) Willful misappropriation of premium due an ARC in accordance with the provisions of the MAIP Rules of Operation;
- (3) The entry of a finding, by a court of competent jurisdiction that the producer has engaged in fraudulent activity in connection with the business of motor vehicle insurance;
- (4) Failure to forward premium payments to an ARC within two business days in accordance with the MAIP Rules of Operation;

- (5) Failure to notify the ARC of any suspected fraud in the application for insurance or in the underwriting or rating process or in the payment of premium obligations or surrounding a loss;
- (6) Failure to assist the ARC during any audit or investigation;
- (7) Failure to report all coverages bound within two business days of the effective date of coverage;
- (8) Failure to comply with reasonable procedures as required by the MAIP for processing claims, remitting premiums and requesting coverages;
- (9) Failure to adhere to a directive issued by the Commissioner relative to the charging of service fees;
- (10) Failure to provide a reasonable and good faith effort to verify the information provided by the applicant, including rating and licensing data;
- (11) Failure to comply with applicable agency requirements and procedures, as prescribed in the MAIP Rules of Operation; and
- (12) Failure to comply with all of the provisions of the Rules of Operation and Assigned Risk Producer Procedures Manual and the Assigned Risk Company Procedures Manual.

6. Reporting Requirements

On a monthly basis, ARCs must report all premiums written, and any other information that may be required by the Plan, Rules or Assigned Risk Company Procedures Manual.

7. Continuation of Eligibility as an ARC

An ARC must maintain a viable book of voluntarily written private passenger motor vehicle insurance policies. The Commissioner may terminate any ARC if he or she finds that disruptive reductions in voluntarily issued motor vehicle policies are in violation of this Section.

C. Procedures for Voluntary Writing of Risks from the MAIP

1. Voluntary Writing by an ARC of Its Own Policyholder Insured through the MAIP.

a. Eligibility

A risk is eligible if it is currently insured through the MAIP.

b. Offer to Write

The kinds and amounts of coverage to be offered for such voluntary risks shall not be less than those afforded by the policy being replaced unless the insured refuses such kinds and amounts of coverage.

c. Notification to the Producer of Record

The producer of record must be mailed notification of such offer ninety days prior to expiration, which shall contain the premium quotation to be offered. The policyholder shall be mailed the offer for voluntary coverage forty-five days prior to expiration with copy to the producer of record.

Following such offer to write, the ARC shall have no further obligations to the policyholder or to the producer of record if the policyholder obtains replacement insurance from another Member.

If such replacement coverage is obtained by the producer of record within the period of his or her forty-five day advance notice, the producer of record shall notify the assigned ARC and it shall not make an offer to the policyholder.

d. ARC Obligations to the Producer of Record

A duly licensed insurance producer, certified to place business through the MAIP, shall own and have an exclusive right, as the insured's producer of records, to use certain insurance information of the insured embodying the records of the insurance agency which shall include but not be limited to, the name of the insured, the policy inception date, the amount of insurance coverage, the policy number and the terms of insurance. An ARC may choose to offer voluntary coverage to a policyholder it has insured through

the MAIP. Once the ARC mails the offer to write voluntary coverage and the policyholder accepts the offer, the policyholder's producer of record shall continue to represent the policyholder who has been written or renewed in the voluntary market and to service the policy unless: 1) the producer is decertified or suspended by the MAIP or the Commissioner of Insurance pursuant to Rule 31.B; 2) the insured chooses to terminate such producer as its producer of record; or 3) the producer of record is precluded from dealing with other companies by contract. An ARC who subsequently writes a policy on a voluntary basis that it previously insured through the MAIP shall pay a commission in accordance with its commission structure for business written in the voluntary market at voluntary rates, regardless of whether there is a contract between the ARC and the producer of record. No commission payments shall be made to the producer of record if that producer is decertified or suspended under Rule 31.B, is terminated by the policyholder as its producer of record, or is precluded from dealing with other companies by contract.

2. Voluntary Writing of Present MAIP Insured by Member Other Than the ARC

a. Eligibility

A risk is eligible if it is currently insured through the MAIP.

b. Offer to Write

The kinds and amounts of coverage to be offered for such voluntary risks shall not be less than those afforded by the policy being replaced unless such kinds and amounts of coverage are refused by the insured.

3. Right of Insured to Reapply to Plan

Nothing in the provisions of this Section shall render the policyholder ineligible for coverage in the MAIP for the full term of the three year assignment period. Subject to the right to reassignment pursuant to Rule 26.A.2., the policyholder may, at his or her option, continue the policy with the ARC as a MAIP risk if the three year assignment period has not yet expired.

D. Failure to Comply with the Provisions of this Section

If the Governing Committee finds that any Member without good cause is not complying with the provisions of this Section it shall notify the Commissioner in writing.

E. Reporting Credits

Refer to the Assigned Risk Company Procedures Manual for the procedure outlining the reporting of all credits.

A. Eligibility Requirements

In accordance with G.L. c. 175, § 113H, every Assigned Risk Producer (ARP) shall be assigned to each and every Assigned Risk Company (ARC) for the sole purpose of obtaining Private Passenger Motor Vehicle Insurance for applicants who have been unable to obtain such insurance through the method by which such insurance is voluntarily made available.

B. Ongoing Assigned Risk Producer Requirements and Responsibilities

It will be the ongoing responsibility of an ARP to fulfill the following requirements as well as the producer certification requirements in Section A. Failure to do so will be grounds for revocation of certification.

1. The ARP must use the policy forms, endorsements, new business application and renewal questionnaire that are filed by the MAIP and approved for use by the Commissioner for Private Passenger Motor Vehicle Insurance.
2. The ARP must require that all Eligible Risks applying for insurance coverage by the MAIP complete a new business insurance application in its entirety.
3. The ARP must ensure that the application and any additional or supplemental information for insurance through the MAIP is submitted on the prescribed forms and that each is filled out accurately and in its entirety. An application that contains information the MAIP verifies as inaccurate or an incomplete application will be returned to the

producer for remedy. Steps that the ARP must take in order to complete an application correctly include the following:

billed by the ARC may be less than the MAIP premium quoted, but it may not be more;

- k. The ARP may quote the voluntary premium of the designated ARC based on information provided by the Eligible Risk for the coverage desired. The ARP must inform the Eligible Risk that the final premium will be determined and billed by the ARC upon receipt of the new business application and any supplemental information necessary to calculate the voluntary premium for comparison to the MAIP premium;

 - b. The required deposit premium pursuant to Rule 28.
 - 6. The new business application, any additional coverage, and/or modifications in coverage must be submitted to the ARC within two business days of the effective date of coverage.
 - 7. The ARP must forward premium payments to an ARC within two business days of receipt. However, an ARC shall extend the payment period for an additional seven days upon sufficient notice that all or

part of a premium is being financed by a licensed premium finance company where the premium finance company has given its written assurance to pay the full premium financed to the ARC directly. This provision shall not obligate an ARC to provide such additional time if, notwithstanding any written assurances, the premium finance company has failed to perform its commitment previously.

8. The ARP must conduct all monetary transactions with the Eligible Risk and the ARC as required by the Rules of Operation.
9. The ARP must advise the premium finance company and/or the policyholder that checks for premiums for all financed accounts are to be made payable to the ARC.

For new ARPs, such training must be completed within six months of certification by the Governing Committee or its designee to immediately submit Motor Vehicle Insurance policies for placement through the MAIP with an ARC. For new employees, such training must be completed within six months of hire. Any fraud training program that receives three CEU credits from the Massachusetts Division of Insurance will satisfy the claims reporting and fraud recognition training requirement. No other training that an ARC provides to its producers is sufficient to meet the claims reporting and fraud recognition training requirement set in this Section.

15. The ARP must notify the MAIP and the ARC of any suspected fraud surrounding a loss.
16. The ARP must cooperate with ARC and MAIP personnel during all audits and investigations.
17. The ARP and his employees are prohibited from accepting a fee or any other monetary or tangible property for referring the insured or parties to an accident to any glass, repair or rental facility, or to any legal or medical provider.
18. ARPs shall provide referral information to consumers consistent with company practices under regulations relating to motor vehicle repairs.
19. The ARP must return uncontested unearned commission within 45 calendar days from the date the producer receives notice from the insurer that such commission is due.

C. Service Fees

1. G.L. c. 175, § 182, in part, prohibits producers and others in connection with the placing or negotiation of insurance policies or the continuance or renewal thereof from selling or offering to sell anything of value whatsoever not specified in the policy of insurance. See also G.L. c. 176D, § 3(8). The following acts and practices are prohibited:
 - a. Charging a fee in addition to the premium for certifying a registration on behalf of an ARC;
 - b. Charging a fee in addition to the premium for acting as a producer and placing the applicant's Motor Vehicle Insurance business with an ARC;
 - c. Charging a fee in addition to the premium for providing assistance to the insured in the completion of forms which are completed in order for the insured to procure or to continue Motor Vehicle Insurance; and
 - d. Charging a fee in addition to the premium for the sale of a service contract which provides for service or advice relating to the issuance, continuance, or renewal of an insured's Motor Vehicle Insurance policy.

2. Nothing set forth in the provisions of Section C.1. is intended to prohibit producers from charging courier fees and other non-insurance related fees if the following requirements are met:
 - a. The producer provides to the applicant a complete description of the non-insurance related services for which the fee, in addition to the premium rate, is being charged;
 - b. The producer advises the applicant that there is no obligation to purchase the non-insurance related service and that the insured may obtain Motor Vehicle Insurance through the producer, notwithstanding the insured's decision not to purchase the non-insurance related services;
 - c. The applicant, after having been apprised of the information in Sections C.2.a. and C.2.b., agrees to pay the fee; and
 - d. The fee for the services provided is reasonable.
3. The producer may enter into a contract with the applicant, pursuant to which the producer provides non-insurance related services to the applicant if the producer complies with all of the requirements identified in C.1. and C.2. In the event the producer and applicant execute such a service contract, the producer shall give to the applicant an executed copy of the contract and shall retain an executed copy in his file that shall be made available to the ARC, Division of Insurance and the MAIP upon request.

D. Certification Ineligibility

1. Grounds for revoking the certification of an ARP shall be pursuant to Rules 30 and 31. Any licensed property or casualty producer who, within the preceding 24-month period, has had an ARP certification revoked with the said revocation not having been reversed by the Governing Committee, the Division of Insurance, or court of competent jurisdiction, shall be ineligible to place business with the MAIP.
2. For purposes of this Section, the term Assigned Risk Producer includes any licensed producer with whom the ARP whose certification has been revoked has a direct or indirect material and continuing proprietary or management interest.

An ARP whose certification is revoked in conjunction with these Rules must return all MAIP forms, manuals and certification stamp(s) as well as any materials supplied by an ARC at such time as the revocation becomes effective. The ARP may appeal the revocation in accordance with the procedures pursuant to Rule 40.

3. If an Exclusive Representative Producer's (ERP's) appointment has been terminated by a Servicing Carrier for violations of any obligation(s) delineated in Rule 14, with the exception of Section C. Production Criteria, and having exhausted the appeal rights pursuant to Rules 14.F. and 20, the ERP is ineligible for MAIP certification or continuation of an existing MAIP certification. The ERP shall be ineligible to reapply for certification as an ARP until such time as the producer is eligible to reapply for appointment as an ERP.

The Governing Committee shall establish and monitor procedures for the review of claim practices of ARCs to insure compliance with the "Performance Standards for the Handling and Payment of Claims". National Association of Insurance Commissioners guidelines are incorporated where applicable into the Performance Standards. The MAIP will conduct periodic audits of ARC claims including policies in the MAIP and voluntarily written as specified in G.L. c.175, §113H.

A. Claim practices of each ARC shall comply with the requirements of G.L. c. 175, § 113H. ARCs shall, in accordance with the Performance Standards and the MAIP's Rules:

1. Comply with the standards for prompt investigation of claims. Upon receipt of a new claim, investigate policy information for garaging, listed operator, prior accidents, or any other issues. Information developed may be used to affirm or deny claim payments. Discrepancies shall be communicated to the Underwriting Department and the premium recalculated and billed if appropriate and in accordance with Division of Insurance requirements;
2. Affirm or deny coverage of claims within a reasonable period of time;
3. Effectuate prompt, fair and equitable settlements of claims in which liability is reasonably clear;
4. Maintain claim reserving procedures for all applicable claims;
5. Conduct internal claim quality audit of a reasonably representative number of claim files on MAIP business, commensurate with their procedures for audit of claims on voluntary business, in order to verify compliance with the Performance Standards. With sufficient frequency to reflect reasonable continuity of their quality controls, ARCs shall prepare internal reports summarizing the efforts and conclusions of their claim department quality audit. Reports shall consolidate comments relative to both the MAIP and voluntary claim adjustment. Report format shall be at the discretion of each ARC, or as may be requested from time to time on an individual basis by the Governing Committee, or the Committee's designee;
6. Establish complaint handling procedures, and maintain complete records of all complaints received on claims related to both the MAIP and voluntary business. ARCs shall maintain records reflecting the number of complaints received annually. For purposes of this Rule,

the term "complaint" shall mean any written communication initiated by the complainant primarily expressing a grievance;

ARCs shall also maintain and forward to the MAIP, records on all written complaints filed on all producers;

7. Acknowledge and act promptly upon communications regarding claims;
8. Promptly provide a reasonable explanation for denial of a claim or for the offer of a compromise settlement;
9. Resolve inter-company subrogation disputes involving Physical Damage and Personal Injury Protection claims through arbitration;
10. Have direct telephone reporting available for first and third party claims;
11. Provide producers with a list of approved inspection services for conducting pre-inspections. Appraisers shall report when the damage is inconsistent with the description of the loss; and
12. ARCs shall offer training on claim reporting and fraud recognition to producers and their customer service representatives. Such training shall be completed for current producer and customer services representatives within six (6) months of approval of this Rule and for new producers and customer services representatives within six (6) months of licensing or employment.

B. In the handling of MAIP claims, ARCs shall not:

1. Misrepresent pertinent facts or policy provisions relating to the coverage at issue;
2. Refuse to pay claims without having conducted a reasonable investigation based upon all available information; and
3. Fail to promptly settle claims, where liability is reasonably clear, under one portion of the policy coverage in order to influence settlements under other portions of the policy coverage.

C. Every ARC shall maintain a special investigative unit to investigate suspicious claims for the express purpose of eliminating fraud and shall specifically report to the MAIP evidence of fraud pertaining to theft or misappropriation of a private passenger motor vehicle on policies issued through the MAIP as provided in the Manual of Administrative Procedures. Special investigative units so established shall be organized and operated to investigate claims on any policies that are issued through MAIP and on policies issued on a voluntary basis by ARCs. The special investigative unit shall investigate suspicious circumstances surrounding underwriting, rating, and premium issues. A claim shall not be investigated by such a unit solely on the basis that such claim arises from a policy issued through the MAIP. The special investigative unit also shall conduct an audit on a representative sample of policies to verify garaging and policy facts.

D. Compliance with Performance Standards

An error tolerance of ten percent (10%) for procedures and seven percent (7%) for claim resolution will be used to measure compliance with the Performance Standards. Failure to meet the standards or other requirements described in this Rule may result in penalties as directed by the Performance Standards or as may be otherwise imposed by the Governing Committee.

E. Dishonesty

Loss or expense resulting from the dishonesty of those employed to handle claims shall be the sole responsibility of the ARC.

F. Claim Contingency Procedures

1. Terminations

An ARC whose appointment is terminated as provided in Rule 38 shall, subject to the provisions of Rule 32 - Claim Practices, service to a conclusion all claims against all policies issued by it in its capacity as an ARC and in effect prior to the date of termination. "Service to a conclusion" shall mean until the claim is properly closed, or until an agreed date.

2. Other Terminations

Upon notice from the Governing Committee of the non-voluntary termination of a company's appointment as an ARC, the MAIP shall examine a representative sample of open claim files to determine the amount of work completed, to estimate the future cost of servicing the claims to a conclusion, and to verify compliance with Rule 32 - Claim Practices. Findings from that examination shall be reviewed with the Claims Advisory Committee, which shall present to the Governing Committee for its consideration the recommendations of the Claims Advisory Committee for the further servicing of said ARC claims.

Each Member shall furnish or cause to be furnished to the Statistical Agent all statistical data in connection with private passenger motor vehicle insurance policies which may be required by the Commissioner's Statistical Plan, and which is not in conflict with Chapter 365 of the Acts of 1977, including data to be used in conjunction with the MAIP merit rating plan. Each Member agrees to permit the Commissioner's Statistical Agent to release statistics to the MAIP Governing Committee as are necessary to operate the MAIP.

Private Passenger Motor Vehicle insurance policies written by an ARC directly or pursuant to a LADA subject to the Plan and Rules of the MAIP shall be subject to review and audit in a manner and time determined by the Governing Committee. Each ARC authorizes the MAIP to audit any portion of its Private Passenger Motor Vehicle insurance business that has a bearing on any credits, penalties, determination of assigned Quota Share, or any other issues relating to such business.

Expenses of the MAIP, including all costs of operating the MAIP and all costs, charges, expenses and liabilities and all income, property and other assets which the Governing Committee determine not to be properly chargeable to the profit or loss of risks placed in the MAIP by Members, shall be shared among each Member based upon the proportion that each Member's Massachusetts direct written motor vehicle insurance premiums which are reported on its Annual Statement for the most recent calendar year bear to the total of such premiums for all Members. Assessments for the expenses of the MAIP shall be levied on a quarterly basis or as frequently as the Governing Committee deems necessary.

Premium from those classifications and/or coverages that are not statistically reportable to the MAIP (those classes or coverages not specified in the Massachusetts Private Passenger Statistical Plan) and all premium from Antique Vehicles (Classification Code 048300) is excluded from this calculation.

A. Limited Assignment Distribution Agreement

A Member may enter into a contract, called a Limited Assignment Distribution Agreement (LADA), with an Assigned Risk Company (ARC), under which the Member transfers its obligation to provide Private Passenger Motor Vehicle Insurance policies to risks assigned to it through the Massachusetts Automobile Insurance Plan (MAIP) to the ARC and the ARC agrees to assume liability for and service all of the Member's MAIP assignments in exchange for a negotiated fee. The LADA must provide that:

1. The ARC is responsible for servicing the other Member's MAIP assignments in addition to its own MAIP assignments;
2. The ARC is solely responsible for ensuring that its practices comply with all MAIP Rules, state laws and regulations with respect to all business serviced, including business serviced under LADAs;
3. The ARC assumes all of the other Member's legal liabilities with respect to the Member's MAIP assignments; and
4. The ARC offers the same premiums and provides the same level of service to the other Member's MAIP assignments as it does to its own MAIP assignments.

B. Eligibility Requirements for ARCs Entering Into LADAs

To be eligible to enter into a LADA(s) with another Member(s), an ARC must apply for and receive approval from the Commissioner. The ARC's application to the Commissioner should include a recommendation from the Governing Committee regarding the ARC's application.

An ARC must meet and continuously maintain all of the following operating requirements, in addition to the requirements contained in Rule 30:

1. Directly write at least 1% of Massachusetts' voluntary Private Passenger Motor Vehicle property damage liability car years. If the individual company is part of a group of companies under common ownership, control or management, the voluntary direct written Private Passenger Motor Vehicle property damage liability car years of all companies in the group combined may be used to fulfill this

requirement provided that the company has not elected to be treated as a separate Member pursuant to Rule 22.

2. Have a statutory capital and surplus of at least \$25,000,000;
3. Have and maintain a net premium to surplus ratio that does not exceed 2 to 1;
4. Have maintained an A.M. Best's financial rating of A- or better for a continuous three-year period from the most current publication date of the Member's rating. A financial rating from an alternative rating service cannot be used to fulfill this eligibility requirement;
5. Have been licensed to write motor vehicle liability insurance and physical damage insurance without restriction in the United States or its territories or possessions for a minimum of five years;
6. Have a facility to issue policies and to provide policyholder services, including a process for the reporting and resolution of policyholder complaints; and

The Commissioner may consider a LADA application from an ARC that does not meet the 1% market share requirement or the 2 to 1 net premium to surplus ratio requirement.

If at any time an ARC does not meet one or more eligibility requirements, the ARC immediately must notify the MAIP and the Commissioner.

C. Assignment Volume Limitation Under LADAs

When the MAIP quota share premium is greater than \$5 million, each ARC with a LADA shall be subject to a limitation on the additional MAIP assigned exposures it may write on behalf of other Members pursuant to a LADA. The limitation represents the maximum percentage of the total MAIP assignments that an ARC may service through LADAs. This limitation shall be determined in accordance with the following formula:

$$\text{Limitation} = \frac{\text{Market Share of Members That May Be Excused From Their Servicing Carrier Obligations}}{\text{Number of Active ARCs w/ LADAs}} + 10\%$$

Where:

- i. The market shares of all Members that may be excused from their servicing carrier obligations pursuant to Section D. includes the market shares of Members with LADAs (including those described in Section D.2.) and the market shares of Members who otherwise satisfy the eligibility requirements of Section D.1.
- ii. Active ARCs with LADAs include only those ARCs receiving MAIP assignments through LADAs pursuant to Section B. In order to qualify as an active ARC with LADAs, the ARC must have a market share of at least 10% of all MAIP assignments made under LADAs.
- iii. Example: Assume there is only one ARC that services MAIP business through LADAs, and that the voluntary market share of Members eligible to enter into LADAs is 15%. The single ARC may enter into LADAs to service up to 25% of the potential MAIP assignments of other Members eligible to enter into LADAs.

The resulting percentage shall be rounded to the nearest whole percentage. This standard is applicable to existing ARCs with LADAs. The limitation on additional MAIP assignments that ARCs may service on behalf of other Members under LADAs shall be subject to annual review by the Governing Committee.

D. Eligibility Requirements for Members That May Be Excused from Their Servicing Carrier Obligations

1. Members with private passenger MAIP Quota Shares that write 5% or less of Massachusetts voluntary private passenger direct property damage liability written car years may be excused from their Servicing Carrier obligations and may enter into a LADA with an ARC.

2. Members with private passenger MAIP Quota Shares whose market share of the Massachusetts voluntary private passenger motor vehicle direct property damage liability written cars year is five percent (5%) or greater may apply to the Commissioner to waive the market share requirement. The Commissioner may grant or deny such a request, or revoke an existing market share waiver, at her discretion, for the benefit of the MAIP.
3. Annually, all market share waivers will be reviewed by the Commissioner based upon each Member's first quarter quota share distribution reports. Any Member whose market share equals or exceeds five percent (5%) may have its market share waiver revoked. If a Member's market share waiver is revoked by the Commissioner, the MAIP shall notify the Member and the ARC by June 30 that the LADA will terminate as of December 31 of that calendar year.
4. The eligibility requirements described in Sections D.1. through D.3. are not in effect when the MAIP quota share premium is \$10 million or less. In this instance, any Member with a Quota Share has the option to enter into a LADA. If the MAIP quota share premium exceeds \$10 million, the Governing Committee shall be guided by the procedure in Section G.

E. Monitoring ARC Eligibility To Enter Into LADAs

The MAIP will review annually the eligibility of each ARC to enter into LADAs to ensure the ARC continues to meet the eligibility requirements in Section B. Such review may include, but is not limited to, verification of any or all of the eligibility criteria in Section B., review of quarterly financial statements filed by the ARC with the Division of Insurance, and monitoring the volume of LADA business written in relation to any applicable assignment volume limitation in Section C.

If the MAIP determines that an ARC no longer meets one or more of the eligibility requirements in Section B., the MAIP shall immediately provide written notification to the ARC, the Governing Committee and the Commissioner. If the ARC advises the MAIP that it no longer meets one or more of the eligibility requirements in Section B., the MAIP shall verify such information and provide written acknowledgement to the ARC. The MAIP immediately shall advise the Governing Committee and the Commissioner, in writing, that the ARC no longer meets one or more of the eligibility requirements of

Section B. The Governing Committee may take such action as it deems necessary, including establishing a period of time for the ARC to remedy the cause of ineligibility, or recommending the Commissioner terminate the LADA.

F. Monitoring ARC Servicing Capacity Under LADAs

The MAIP will review the volume of MAIP assignments written by ARCs under LADAs on a monthly basis and advise the Governing Committee.

If an assignment volume limitation exists under Section C., MAIP's review may include an estimate as to when an ARC might approach, meet, or exceed, the limitation. The MAIP will provide the ARC and the Governing Committee with written notification on the status of the ARC's capacity to continue to accept MAIP assignments under LADAs.

The MAIP will bring any ARC that is expected to exceed, or has exceeded, the assignment volume limitation to the attention of the Governing Committee. The ARC shall be provided at least 20 days advance written notice of the Governing Committee meeting at which the matter will be discussed. During the period between notification to the ARC of meeting or exceeding its assignment volume limitation and the date of the Governing Committee meeting, the ARC may continue to accept assignments under its LADAs.

If an ARC is expected to exceed its assignment volume limitation, or has exceeded its assignment volume limitation, Governing Committee remedies shall include, but are not limited to, one or more of the following:

1. Prohibit the ARC from entering into and negotiating any new LADAs but continue servicing MAIP assignments under existing LADAs;
2. Solicit for one or more additional ARCs to offer LADAs; or
3. Employ any other remedy deemed appropriate by the Governing Committee and approved by the Commissioner.

G. Review of Plan Premium Volume

The MAIP will advise the Governing Committee whether the MAIP quota share premium volume is less than, meets, or exceeds \$10 million. The Governing Committee shall be governed by the following:

1. If the MAIP quota share premium volume is \$10 million or less, all Members with MAIP Quota Shares may enter into a LADA.
2. If the MAIP quota share premium volume exceeds \$10 million, the Governing Committee may, at their discretion:
 - a. Reinstate the market share eligibility requirement set forth in Section D. in accordance with the procedure set out in Section H;
 - b. Solicit for another ARC to service MAIP business under LADAs;
 - c. Continue to offer all Members with MAIP Quota Shares the option to enter into a LADA until such time as the Governing Committee determines further action is necessary;
 - d. Implement a combination of b. and c. above; or
 - e. Take any other action deemed appropriate by the Governing Committee.

H. Reinstatement of Eligibility Requirements For Members to Enter Into LADAs

If the eligibility requirements for Members to enter into LADAs are reinstated by the Governing Committee in accordance with Section G., the MAIP shall be guided by the following:

1. All ARCs and Members shall be notified by June 30 that the eligibility requirement in Section D.1. will be reinstated as of January 1 of the new calendar year.
2. Members with MAIP Quota Shares that meet the eligibility requirement in Section D.1. may enter into a LADA with an ARC as of January 1 of the new calendar year.

3. Current Members with LADAs pursuant to Section D.2. shall be notified in writing by June 30 that their LADA(s) are terminated as of December 31 and that they should prepare to receive their own MAIP assignments as of December 31 of that calendar year.
4. Members with market shares of five percent (5%) or more may apply to the Commissioner for a market share waiver in accordance with the procedure in Section D.2.

I. Approval of LADAs

The Governing Committee shall ratify all LADAs which have been reviewed and approved by the MAIP with the fee provision of the contract omitted. The LADA must contain provisions agreed upon by the ARC and the Member. The LADA also must contain provisions which provide that, with respect to any of the Member's in-force policies in existence at the time of the execution of the LADA, such policies shall continue to be serviced by the Member until their respective anniversary date. In addition, the LADA shall provide that, at least 45 days prior to the anniversary date of each affected in-force policy of the Member, the Member shall issue a non-renewal notice and the ARC shall provide the policyholder and producer of record with a renewal offer and, if accepted, issue the policy in accordance with these Rules.

The ARC shall be obligated to make a renewal offer for the remainder of the original three year assignment period. Upon issuance of the initial renewal offer by the ARC, the Member subject to the LADA shall be relieved of its obligation with regard to the three year assignment period.

The LADA may start on a date agreed upon by the Member and the ARC and approved by the MAIP. LADA contracts are renewable by agreement of the Member and the ARC.

Once the MAIP has reviewed and approved the LADA between the ARC and the Member, the MAIP will send all assignments for all Members subject to the LADA to the ARC. At least annually, the MAIP will indicate how much of the LADA business was needed to fulfill each Member's assigned Quota Share.

J. Termination of LADAs

A LADA may be terminated by either the ARC or the Member in accordance with the terms and conditions of the contract. Written notice of such termination shall be provided to MAIP 90 days prior to the effective date of the termination. The ARC will continue to receive assignments under the LADA until the effective date of the termination. The terms and conditions of the contract between the Member and the ARC shall include provisions for servicing MAIP business until the expiration of the three year assignment period.

- K.** If a conflict exists between Rule 36 and the LADA, the provisions of Rule 36 shall apply.

- A. For policies effective prior to October 1, 2012, Assigned Risk Producers (ARPs) will be paid the same average commission for private passenger risks insured through the MAIP as is paid for voluntary risks in accordance with the private passenger motor vehicle insurance rates on file with the Commissioner.

For MAIP business, ARPs that are not operating under the so-called American Agency System will be paid the same average commission as those that are operating under the American Agency System.

- B. For policies effective October 1, 2012 and subsequent, if the ARP has a private passenger automobile contractual relationship with the Assigned Risk Company (ARC) receiving the assignment the terms of the contract relating to commission payments apply regardless of the rate, voluntary or MAIP, used to issue the policy.
- C. For policies effective October 1, 2012 and subsequent, if the ARP does not have a private passenger automobile contractual relationship with the ARC receiving the assignment, commission compensation shall be in accordance with the following commission schedule. Merit rating codes are as defined in the Massachusetts Private Passenger Residual Market Automobile Insurance Manual. The MAIP commission schedule applies regardless of the rate, voluntary or MAIP, used to issue the policy.

Merit Rating Codes for Rated Operator(s)	Base Commission Percentage
All Rated Operators have Merit Rating Code = 99	13.0%
All Rated Operators have Merit Rating Code = 0, 98 or 99	12.0%
At Least One Rated Operator has Merit Rating Code = 1 - 4	10.0%
At Least One Rated Operator has Merit Rating Code = 5 or more	10.0%

The following additional provisions apply:

1. The commission rate is determined at the time a new business or renewal policy is issued.
2. A commission rate adjustment shall be made as a result of an endorsement with an effective date the same as the policy effective date if such endorsement affects the commission percentage.

3. A commission rate adjustment shall not be made as a result of a mid-term policy endorsement.
- D. For policies effective October 1, 2012 and subsequent, if the ARP is not operating under the so-called American Agency System, commission compensation shall be the same as for those ARPs operating under the American Agency System in accordance with Section B or C. of this Rule, whichever applies.
- E. Nothing in this Rule is intended to alter any statutory obligation relating to commission payments.

A. Assigned Risk Company Terminations

1. Involuntary Terminations of an ARC

a. Involuntary Termination by the MAIP

In the event that it becomes necessary for the Governing Committee to terminate an ARC from the MAIP, notice shall be given in writing by the Chairman of the Governing Committee to the Chief Executive Officer of the ARC. Such notice shall specify a period of time of no less than six (6) months or such earlier time as the parties may mutually agree, at which time the MAIP will no longer assign new business to the ARC. The notice to the terminating ARC will stipulate further that the ARC shall continue to service its existing MAIP business until the expiration of the three-year assignment period for each of its MAIP assignments, unless the parties shall have mutually agreed to other arrangements for the service of such assignments and such arrangements have been approved by the Commissioner.

b. Involuntary Termination by the Commissioner

The Commissioner may terminate any ARC which he/she determines to have violated the standards established for ARCs in these Rules, or the Plan, or if he/she finds that the operation or financial stability of such ARC presents a danger to the interests of policyholders or the continued operation of the MAIP or will create substantial market disruption. If the Commissioner terminates an ARC, the ARC shall continue to service its existing MAIP business until the expiration of the three-year assignment period for each of its MAIP assignments, unless the Commissioner orders other arrangements for the service of such assignments.

2. Approval by the Commissioner of ARC Terminations

No termination of an ARC will become effective until approved by the Commissioner. In granting approval, the Commissioner will consider the impact of such termination on policyholders, producers and brokers, and the market for private passenger motor vehicle insurance. The ARC shall continue to service its MAIP business after the termination becomes effective until the expiration of the three-year assignment period for each of its MAIP assignments, unless other

arrangements for the service of such assignments has been approved by the Commissioner.

3. If the terminating ARC has executed LADAs with other Members at the time of its termination, the MAIP and the Governing Committee shall be guided by the following:
 - a. The terminating ARC will continue to receive assignments under its LADAs until the termination date. The terminating ARC must continue service all business assigned under LADAs until the end of the three year assignment period has been reached, unless otherwise directed by the Governing Committee and approved by the Commissioner.
 - b. The MAIP will provide Members with which the terminating ARC has LADAs at least 90 days' written notice of termination of the ARC and cancellation of the LADA. Such notice shall indicate that the Member must either seek a LADA with another ARC, or be prepared to receive and write its own MAIP assignments.
 - c. The terminating ARC shall be responsible for its own MAIP assignments after termination of the LADA. The terminating ARC also may seek to enter a LADA with another ARC for the terminating ARC's own MAIP assignments.
4. In the event an ARC experiences unanticipated or unusual operations difficulties that would impair its ability to continue to meet the established ARC performance standards, the Governing Committee, subject to the approval of the Commissioner, may take such action as it may deem appropriate to alleviate the difficulties. Such actions by the Governing Committee shall be taken when it is evident the interest of the insuring public and the industry would be better served.

B. Members Electing to Withdraw from the Massachusetts Private Passenger Motor Vehicle Insurance Market

A Member electing to withdraw from the Massachusetts private passenger motor vehicle insurance market shall file a withdrawal plan for an orderly withdrawal that shall include full settlement of all financial obligations to the MAIP, as well as provide that the Member shall either continue to service its existing MAIP business until the expiration of the three-year assignment period for each of its MAIP assignments, or has made other arrangements for the service of such

assignments, as approved by the Commissioner. Approval of the withdrawal plan for purposes of this Section shall mean written approval by the Commissioner. Prior to approval, the Commissioner shall hold a public hearing if requested to do so by the Governing Committee of the MAIP, a Member of the MAIP, or any association of producers, to consider the effect of the withdrawal on the orderly and equitable conduct and operation of the Massachusetts private passenger motor vehicle insurance market. Any such party seeking a hearing must file a request with the Division of Insurance within ten (10) days' notice by the Division of Insurance to CAR of the opportunity for a hearing. Copies of the withdrawal plan shall be made public at the time of such notice.

Nothing in Rule 38 shall in any manner be deemed to act or modify or reduce an ARC's or a Member's obligations under the Plan, Rules or Operation, or Manual of Administrative Procedures.

- A. Any person or Member made, or threatened to be made, a party to any action, suit or proceeding, because such person, or any officers, employee or representative of such Member, served on the Governing Committee or on any committee of the MAIP or was an officer or employee of the MAIP, shall be indemnified by the MAIP against all judgments, fines, amounts paid in settlement, reasonable costs and expenses including attorneys' fees, and any other liabilities that may be incurred as a result of such action, suit or proceeding, or threatened action, suit or proceeding, except in relation to matters as to which he or it shall be adjudged in such action, suit or proceeding to be liable by reason of breach of duty involving gross negligence, bad faith, dishonest, willful misfeasance or reckless disregard of the responsibilities in the performance of his or its duties or obligations to the MAIP and, with respect to any criminal actions or proceedings, except when such person or Member had reasonable cause to believe that his or its conduct was unlawful. Such indemnification shall be provided whether such person or Member is a Member or is holding office or is employed at the time of such action, suit or proceeding and whether any such liability is incurred prior to the adoption of this Rule. Such indemnification shall not be exclusive of other rights such person or Member may have and shall extend to the successors, heirs, executors or administrators of such person or Member. In the event of settlement or other termination of a matter before final adjudication, indemnification shall be provided only if the Governing Committee determines with the advice of independent counsel that the person or Member to be indemnified did not in counsel's opinion commit such a breach of duty.
- B. In each instance in which a question of indemnification arises, entitlement thereto, pursuant to the conditions set forth in the first paragraph of this Rule, shall be determined by the Governing Committee which shall also determine the time and manner of payment of such indemnification; provided, that a person or Member who or which has been wholly successful, on the merits or otherwise, in the defense of a civil or criminal action, suit or proceeding of this character described in the first paragraph of this Rule shall be entitled to indemnification as authorized in such paragraph. Nothing herein shall be deemed to bind a person or Member who or which the Governing Committee has determined not to be entitled to indemnification, or to preclude such person or Member from asserting the right to such indemnification by legal proceedings. Such indemnification as is herein provided shall be considered an operating expense apportioned among all Members, including any named in any such action, suit or proceeding, according to the Expense Ratio deemed by the Governing Committee to be most appropriate.

A. Requesting a Review

Any Member or licensed producer aggrieved by any unfair, unreasonable, or improper practice of the MAIP or another Member with respect to the operation of the MAIP may request a formal review and ruling by the Governing Committee on the alleged practice. The request for review must be made within thirty (30) days after the date such person knew of the alleged practice. Any written material which either party wishes to have considered in connection with the deliberations of the matter should be forwarded to the MAIP at least five (5) business days prior to the date scheduled for the review.

The review shall be held within fifteen (15) business days after the receipt of the original request, unless such requirement is waived by the aggrieved party. Except as may be otherwise provided by the Governing Committee, the review shall be held by a Governing Committee Review Panel consisting of three (3) Governing Committee members entitled to vote. The decision of this Panel or any committee sitting at the request of or under the authority of the Governing Committee shall be rendered within fifteen (15) business days of the review. The ruling of the majority of the Panel shall be deemed to be the formal ruling of the Governing Committee.

B. Appealing a Ruling

Any formal Governing Committee ruling may be appealed to the Commissioner by filing a notice of appeal with the MAIP and the Commissioner within thirty (30) days after the date of the ruling's issuance. The ruling of the Governing Committee shall remain in full effect unless otherwise directed by the Commissioner. The Commissioner may approve, modify, amend or disapprove the ruling, or direct the Governing Committee to reconsider the ruling. In addition, the Commissioner may issue any other appropriate order, including granting the aggrieved party a new review.
