

Memorandum of Changes

June 1, 2020

- Rule 4 – Updated procedural language in 4.A.1., from “thirty” to “twenty”.
- Rule 28 – The language referencing clergy use and assignment exception for operators in active military service has been eliminated.

April 1, 2021

- Rule 19 – Updated to reflect that specialty and classic cars are not eligible for the multi-car and the annual mileage discounts. Obsolete language that refers to antique vehicles was eliminated.
- Rule 28 – Language was added to indicate that any automobile classified as a specialty or classic car is excluded from the assignment of operators to automobiles.
- Rule 42 – Specialty and Classic Cars and Motorcycles was added to the Manual.
- Rule 44 – Language was added to indicate that any motorcycle classified as a specialty or classic motorcycle is excluded from the assignment of operators to motorcycles.
