**Memorandum of Changes**

**General Modifications**

**Modifications to the Commercial Standards:**

**Standard V: Expenses**

The manual was recently updated to strengthen the language pertaining to the required access of source documentation for validation of each loss amount and expense payment transaction.
  - The language referencing validation of paid losses and expenses would be consistent with the Manual of Administrative Procedures, the Statistical Plan, and the Claims Performance Standards.

**Appendix K: Compliance Audit Claim Questionnaire:**

- Staff suggests including additional SIU-related questions to the Compliance Audit Questionnaire that allows for further information that enhances the description of the SIU included in all audited reports. Appendix K is distributed with the audit notice prior to the to the Hybrid Audit scheduled start date.
  - Staff proposes additional questions to Appendix K pertaining to current SIU requirements for CAR Rule 10.C.2.
