TABLES OF REQUIRED PRIVATE PASSENGER FIELDS

The fields identified below are required to be reported on all private passenger statistical records and are therefore not listed in the Decision Tables contained on the following pages. For all other fields not noted below, refer to the Classification Code and Coverage Code Decision Tables to determine which fields are required to be reported.

A value of “Y” in the Classification Code and Coverage Code Decision Tables indicates that the field is required to be reported.

A value of “N” indicates that the field is not required to be reported.

A value of “O” indicates that the field is not required to be reported, but the company may optionally report data in that field. Note that if data is reported in an optional field, it will be verified for accuracy.

★ A value of “M” indicates that the field is only required to be reported on business assigned through the Massachusetts Automobile Insurance Plan (MAIP).
