Rules 21 through 40 shall apply to Eligible Risks as defined in Rule 22 which are assigned through the MAIP and are unable to obtain private passenger Motor Vehicle Insurance through the voluntary market.

When used in Rules 1 through 20, the following terms shall have the stated meanings:

CAR means Commonwealth Automobile Reinsurers.

COMMERCIAL MOTOR VEHICLE means any insurable motor vehicle not included in the definition of Private Passenger Motor Vehicle contained in Rule 22.

COMMISSIONER means the Commissioner of Insurance of Massachusetts.

ELIGIBLE RISK means any Person who qualifies for a Motor Vehicle Insurance policy pursuant to G.L. c. 175, § 113H and which has its Principal Place of Business within the Commonwealth of Massachusetts and which is required by a financial responsibility law as enacted by the legislature of any state or of the United States or by any valid regulation of the Interstate Commerce Commission, United States Department of Transportation, or the Massachusetts Department of Public Utilities to maintain Motor Vehicle Insurance with respect to vehicles owned or leased by it, and registered within or outside of the Commonwealth of Massachusetts. Ordinances or Bylaws, as enacted by any political subdivision of any state, shall not for the purposes of determining eligibility be considered as financial responsibility laws.

EXCLUSIVE REPRESENTATIVE PRODUCER (ERP) means a Person licensed as a property and casualty insurance producer pursuant to G.L. c. 175, § 162H through § 162X inclusive, who (a) has a place of business (i) in Massachusetts or (ii) in any state contiguous to Massachusetts, and (b) has been appointed by the Governing Committee or its designee to a Servicing Carrier to immediately certify commercial Motor Vehicle Insurance policies.

INACTIVE MEMBER means any Insurer which is licensed to write Motor Vehicle Insurance policies or bonds in Massachusetts, but (a) did not, in fact, issue any commercial Motor Vehicle Insurance policies or bonds in Massachusetts during the most recent calendar year, (b) is not the issuing company on any outstanding commercial Massachusetts Motor Vehicle Insurance policies or bonds, and (c) has no outstanding obligations pursuant to Rule 11.

MANUAL OF ADMINISTRATIVE PROCEDURES (MAP) means the Manual of Administrative Procedures of CAR and does not include the Assigned Risk Company Procedures Manual or the Assigned Risk Producer Procedures Manual.

MEMBER means any Insurer which is licensed to write Motor Vehicle Insurance liability policies or bonds in Massachusetts and which is not an Inactive Member. Groups of companies under the same ownership and management will be treated as a single Member. Groups of companies under either the same ownership or management, but not both, may elect to be treated either separately or as a single Member.

MOTOR VEHICLE INSURANCE means direct insurance against injury or damage, including the legal liability therefore, arising out of the ownership, operation, maintenance or use of motor vehicles, including but not limited to bodily injury liability insurance, personal injury protection insurance, property damage liability insurance, physical damage insurance, medical payments insurance, uninsured/underinsured motorists insurance and towing and labor insurance.

PRINCIPAL PLACE OF BUSINESS, as it applies to the definition of an Eligible Risk, is defined as the chief or usual place of business. It is the head office; the place where the principal officers generally transact business and the place to which reports are made and from which orders emanate. It is also the place where the corporate functions are performed. It is where executive offices are located and corporate decisions are made.

The burden of proof with regard to the location of the Principal Place of Business, consistent with the definition as stated above, lies with the applicant who seeks to qualify as an Eligible Risk.

RULES OF OPERATION or RULES or RULE means the Rules of Operation of CAR or a Rule of CAR.

SERVICING CARRIER means a Member which has been appointed by the Governing Committee, or its designee, as authorized in the Plan and Rules of Operation to issue Motor Vehicle Insurance policies at the request of an Exclusive Representative Producer.

A. Member Obligations

1. Every Member shall be bound by the Plan and Rules of Operation.
2. Financial Obligations
 - a. Each Member agrees to pay assessments levied against it for losses or expenses or any combination thereof incurred under policies issued through CAR by a Servicing Carrier; to pay assessments levied against it for the operating expenses of CAR; to pay penalties levied against it pursuant to the Rules adopted by the Governing Committee; and to accurately submit all statistics, records and accountings required by CAR in a timely manner.
 - b. Each Member, in recognition of the absolute necessity for timely payments of balances owed CAR, shall pay late payment fees at the prime rate as established by the Federal Reserve Bank of Boston compounded monthly for late payment of any assessment or late payment fees levied in accordance with the Plan or Rules of Operation. Each Member shall also compensate CAR for all damages and expenses incurred by CAR as a result of the failure of any Member to pay any balance owed CAR pursuant to Rule 3 or 11 that remains unpaid as of the 10th calendar day following the invoice due date, written notice of the default having been mailed by certified mail to the company by CAR on or after the first business day following the invoice due date. As used herein, "damages and expenses" shall include but not be limited to CAR's attorney's fees incurred directly or indirectly with the collection of the balance due, all costs of borrowing incurred as a result of the non-payment, the cost of all staff time spent in connection with efforts to collect the balance outstanding, all financial losses resulting from non-payment and all other related expenses and losses.
 - c. Any Member shall be entitled to appeal to the Governing Committee any assessment, or late payment fees, damages or expenses which were levied in accordance with the Plan or Rules of Operation. However, the Member will be required to pay the amount billed by CAR before such appeals will be considered. If the Governing Committee rules in favor of the Member, a proper adjustment, including interest at the prime rate and any damages and expenses assessed, will be made by CAR to the Member's account. Before exercising any other right of appeal provided

pursuant to G.L. c. 175, § 113H or the Plan or Rules of Operation, the Member shall pay all amounts owed to CAR.

- d. With respect to Members which have failed to pay assessments, late payment fees or compensatory damages or expenses within 45 calendar days of the postmark date of the overdue payment notice, a report will be submitted to the Division of Insurance setting forth the fact of such non-payment for its consideration and any action it deems appropriate.
3. When a Member is merged or consolidated into another insurer, or another insurer has reinsured a Member's entire Motor Vehicle Insurance business in Massachusetts, such Member and its successor in interest or such other insurer shall be liable for such Member's obligations.
4. A Member may terminate its membership in CAR upon the surrendering of its license to write Motor Vehicle Insurance policies or bonds in Massachusetts. Terminations of membership shall not discharge or otherwise affect liabilities of the Member incurred prior to the effective date of the termination of membership or in any way affect the Member's obligation to make payments pursuant to Rule 11.
5. If any Member is declared insolvent by a court of competent jurisdiction, its membership in CAR shall terminate as of the date it is declared insolvent, but it shall be liable to CAR for all obligations incurred under the Plan or the Rules prior to the date it is declared insolvent. CAR shall compute the amount of such obligations in accordance with the Rules and shall be entitled to offset any liabilities of the Member to CAR against any liabilities of CAR to the Member.

Any unsatisfied net liability of an insolvent Member shall be assumed by and apportioned among the remaining Members of CAR in the same manner in which underwriting results are apportioned by CAR. CAR shall have all rights allowed by law on behalf of the remaining Members against the estate or funds of such insolvent Member for sums due CAR.

6. No judgment against CAR shall create any direct liability against the individual Members.

B. Meetings

An Inactive Member shall receive those CAR distributions which are required by Article X of the Plan of Operation or which otherwise emanate from the Massachusetts Division of Insurance. Inactive Members will not be furnished with other CAR Bulletins and will not be assigned reporting numbers. At such time as an Inactive Member issues a Motor Vehicle Insurance policy or bond in Massachusetts, it must concurrently obtain a reporting number and as of that date must fully assume the obligations of a Member.

3. To authorize contracts as necessary to provide space, equipment and services for CAR;
4. To appoint standing or temporary subcommittees in consultation with the Commissioner for purposes of assuring that subcommittees fairly represent the Members and producers, with due consideration given to the existence of expertise appropriate for the subcommittee in question. No individual may serve as Chairperson of more than two standing subcommittees.
5. To prepare a Manual of Administrative Procedures which shall contain instructions for the statistical recording and reporting of CAR business; auditing and claim review procedures; and other pertinent information;

E. Additional Meetings

The Governing Committee shall hold additional meetings as necessary when called by the Chairman, by the Commissioner, or upon written petition of four members of the Governing Committee. No meeting shall be held with less than 10 days' notice unless at least eight members of the Committee waive the notice requirement, which waiver shall be entered in the minutes of the meeting.

F. Agendas for Meetings

Agendas for meetings shall be furnished to all members of the Governing Committee and to the Commissioner with the notice of such meeting. Only items specifically listed on the agenda will be considered unless two-thirds of the members of the Committee present vote for admission of each additional item.

G. Quorum

A quorum of the Governing Committee shall consist of eight members, at least two of which are insurer members and two of which are producer members. No vote of the Governing Committee shall be taken unless a quorum is present.

H. Procedures

Before the Governing Committee takes final action on a matter that has a direct impact on any Member's deficit participation, the final text of the motion to be considered will be provided to all members of the Governing Committee, at least 20 calendar days prior to the scheduled

Governing Committee action, unless 10 members of the Governing Committee vote to waive the 20 day requirement. The text of the motion, sent to Members, will be accompanied by an explanation. Any such action taken by the Governing Committee will not take effect for 20 calendar days, unless 10 members of the Governing Committee vote that the action will be effective immediately. Any party aggrieved by the action may appeal to the Commissioner of Insurance pursuant to Rule 20.B.

I. Proxy Voting Not Allowed

No member of the Governing Committee shall be permitted to vote by proxy.

The officers of CAR shall include a President and such other officers as the Governing Committee may authorize. The position descriptions of the officers will be contained in the Personnel Manual under the jurisdiction of the Governing Committee. The Personnel Manual will also contain information regarding the term of office and salary ranges of the officers.

The President shall preside at all meetings of CAR membership and attend meetings of its committees of which he is a member ex officio, and perform such other duties as may be designated by the Governing Committee.

The President shall be responsible for all property of CAR, shall receive and carefully keep all monies of CAR, disburse the same only for the business of CAR, and shall account to the Governing Committee for all such disbursements.

The President, or such other person as the Governing Committee may appoint, may sign and endorse in the name and on behalf of CAR in the transaction of its business, but not otherwise, checks, drafts, notes, and bills of exchange, subject to such countersignature as the Governing Committee may determine.

Each Member shall furnish or cause to be furnished all statistical data in connection with commercial Motor Vehicle Insurance policies which may be required by the Commissioner's Statistical Plan, and which is not in conflict with Chapter 365 of the Acts of 1977. Commercial Motor Vehicle Insurance policies written by a Member of CAR shall be subject to a review and audit in a manner and time determined by the Governing Committee. Each Member authorizes CAR to audit any portion of its Commercial Motor Vehicle Insurance business which has a bearing on participation in CAR's underwriting results; expenses; penalties; or any other related matter attributable to such Member.

The Governing Committee shall establish and monitor procedures for the review of claim practices of Servicing Carriers to ensure compliance with the Performance Standards for the Handling and Payment of Commercial Claims by Servicing Carriers (Performance Standards). National Association of Insurance Commissioners (NAIC) guidelines are incorporated where applicable into the Performance Standards. CAR will conduct periodic audits of Servicing Carriers' claims including policies ceded through CAR and voluntarily written as specified in G.L. c. 175, § 113H.

A. Claim Practices

Each Servicing Carrier shall comply with the requirements of G.L. c. 175, § 113H relating to claim practices and shall, in accordance with the Performance Standards:

1. Comply with the standards for prompt investigation of claims. Upon receipt of a new claim, investigate policy information for garaging, listed operator, prior accidents, or any other issues. Information developed may be used to affirm or deny claim payments. Discrepancies shall be communicated to the Servicing Carrier's underwriting department and the premium recalculated and billed if appropriate and in accordance with Division of Insurance requirements;
2. Affirm or deny coverage of claims within a reasonable period of time;
3. Effectuate prompt, fair and equitable settlements of claims in which liability is reasonably clear;
4. Maintain claim reserving procedures for all applicable claims;
5. Conduct internal claim quality audit of a reasonably representative number of claim files on residual market business, commensurate with their procedures for audit of claims on voluntary business, in order to verify compliance with the Performance Standards. With sufficient frequency to reflect reasonable continuity of their quality controls, Servicing Carriers shall prepare internal reports summarizing the efforts and conclusions of their claim department quality audit. Reports shall consolidate comments relative to both residual market and voluntary claim adjustment.

Report format shall be at the discretion of each Servicing Carrier, or as may be requested from time to time on an individual basis by the Governing Committee, or its designee;

6. Establish complaint handling procedures, and maintain complete records of all complaints received on claims related to both residual market and voluntary business. Servicing Carriers shall maintain records reflecting the number of complaints received annually. For purposes of this Rule, the term “complaint” shall mean any written communication initiated by the complainant primarily expressing a grievance;
7. Acknowledge and act promptly upon communications regarding claims;
8. Promptly provide a reasonable explanation for denial of a claim or for the offer of a compromise settlement;
9. Resolve inter-company subrogation disputes involving Physical Damage and Personal Injury Protection claims through arbitration;
10. Have direct telephone reporting available for first and third-party claims; and

B. Residual Market Claims

Servicing Carriers shall not:

1. Misrepresent pertinent facts or policy provisions relating to the coverage at issue;
2. Refuse to pay claims without having conducted a reasonable investigation based upon all available information; or
3. Fail to promptly settle claims, where liability is reasonably clear, under one portion of the policy coverage in order to influence settlements under other portions of the policy coverage.

C. Special Investigative Unit

Every Servicing Carrier shall maintain a Special Investigative Unit (SIU) to investigate suspicious claims for the express purpose of eliminating fraud and shall specifically report to CAR evidence of fraud pertaining to theft or misappropriation of a commercial motor vehicle

on ceded policies as provided in the Manual of Administrative Procedures. Special Investigative Units so established shall be organized and operated to investigate claims on any ceded policies and on policies issued on a voluntary basis by Servicing Carriers.

The SIU shall:

1. Investigate suspicious circumstances surrounding underwriting, rating, and premium issues. A claim shall not be investigated by such a unit solely on the basis that such claim arises from a ceded policy; and
2. Conduct an audit on a representative sample of policies to verify garaging and policy facts.

D. Compliance with Commercial Performance Standards

A benchmark of 80 percent will be used to measure compliance with the Performance Standards. Failure to meet the standards or requirements described in this Rule may prevent reimbursement of loss or expense or may result in penalties as directed by the Performance Standards or as may be otherwise imposed by the Governing Committee.

E. Special Reimbursements

These procedures apply to claims arising out of ceded commercial Motor Vehicle Insurance policies and claims arising out of ceded Private Passenger Motor Vehicle Insurance policies (as defined in Rule 22) and written prior to April 1, 2009.

1. Excess Judgments

A Servicing Carrier shall notify CAR in writing, of any tort liability judgment against an Eligible Risk, for which the Servicing Carrier may be liable, if the amount of the judgment exceeds the limit of coverage. This notification must be received within six months of the entry of judgment. A Servicing Carrier shall also notify CAR in writing, of any settlement of a claim against a Servicing Carrier policy if the amount of the settlement, for which the Servicing Carrier may be liable, exceeds the limit of coverage. This notification must be received within six months of the execution of any settlement.

Within one year of the entry of judgment or the execution of settlement prior to any entry of judgment, the Servicing Carrier may apply to CAR

for reimbursement of amounts in excess of the limit of coverage. If no final judgment has been entered and the Servicing Carrier has so notified CAR in writing, the request for reimbursement may be filed within six months after the subsequent entry of final judgment or execution of settlement or within one year of the initial notification, whichever occurs later. Adequate supporting explanation and documentation, including the complete claim file and complete underwriting file, if requested, must be provided. CAR shall review the request for reimbursement with the Compliance Audit Committee, with its recommendations presented to the Governing Committee for consideration. The Governing Committee may authorize reimbursement of all or any part of the amount requested unless it determines that the Servicing Carrier was negligent in the handling of the claim and its negligence was the proximate cause of the excess judgment or settlement, in which event the request shall be denied.

Failure to comply with any of the requirements set forth in Section E.1. shall preclude any request for reimbursement in connection with such judgment and/or settlement.

Approved reimbursements shall be submitted as separate loss records.

2. Penalties

The Governing Committee may authorize reimbursements to Servicing Carriers for payments of penalties imposed by Massachusetts Courts pursuant to G.L. c. 90, § 34O and G.L. c. 175, § 113O, and for the payment of legal expenses for the successful defense of actions pursuant to G.L. c. 93A.

A request for reimbursement of penalties, accompanied by adequate supporting explanation and documentation, shall be sent promptly to CAR. The request shall be reviewed with the Compliance Audit Committee and its recommendations shall be presented to the Governing Committee for consideration.

In cases that do not involve any negligence in the handling of the claim by the Servicing Carrier, where alleged negligence is the proximate cause of the imposition of the penalty, the Governing Committee may authorize reimbursement of all or part of the amount of penalty.

Approved reimbursements shall be submitted as separate loss records.

3. Notice of Reimbursement

The Governing Committee shall give 30 days' written notice to the Commissioner of its intent to consider any request for reimbursement pursuant to Section E. of this Rule.

F. Dishonesty

Loss or expense resulting from the dishonesty of those employed by a Servicing Carrier to handle claims shall be the sole responsibility of such Servicing Carrier.

G. Claim Contingency Procedures

1. Terminations

A Member whose designation as a Servicing Carrier is terminated pursuant to Rule 16 shall, subject to the provisions of Rule 10, service to a conclusion all claims against all policies issued by it in its capacity as a Servicing Carrier and in effect prior to the date of termination. "Service to a conclusion" shall mean until the claim is properly closed, or until an agreed date.

2. Other Terminations

Upon notice from the Governing Committee of the non-voluntary termination of a Member's designation as a Servicing Carrier, CAR shall examine a representative sample of open claim files to determine the amount of work completed, to estimate the future cost of servicing the claims to a conclusion, and to verify compliance with Rule 10. Findings from that examination shall be reviewed with the Compliance Audit Committee and its recommendations relative to the further servicing of said Servicing Carrier claims shall be presented to the Governing Committee for consideration.

CAR expenses, and the profits and losses on CAR policies, shall be allocated among the Members of CAR in the manner provided under this Rule. Assessments shall be levied on a quarterly basis or as frequently as the Governing Committee deems necessary. Such assessments shall be allocated among the Members in accordance with the following principles:

A. Participation – Expenses

Expenses, including all costs of operating CAR and all costs, charges, expenses and liabilities and all income, property and other assets which the Governing Committee determine not to be properly chargeable to the profit or loss of risks ceded to CAR by Servicing Carriers, shall be shared by the Members. Sharing is based upon the proportion that each Member's Massachusetts direct written Motor Vehicle Insurance premiums, which are reported on its Annual Statement for the most recent calendar year, bear to the total of such premiums for all Members.

Commercial ceded written premium (CAR ID Codes 4 and 5) is excluded from this calculation. Additionally, all premium from classifications and/or coverages that are not statistically reportable to CAR (those classes or coverages not specified in the Massachusetts Statistical Plans) and all premium from Antique Motor Vehicles classification code 962000 is excluded from this calculation.

B. Participation – Underwriting Results

To establish a basis for allocating ceded commercial premiums, losses and expenses, each Member shall report statistical information required by the Rules of Operation to CAR or permit its statistical agencies, designated by the Member or appointed by the Commissioner, to report all required statistical information to CAR. If the Member does not exceed CAR's established statistical reporting thresholds and therefore is not required to report statistical data to CAR, CAR will utilize the Member's Massachusetts Annual Statement data as a basis for determining underwriting results.

Member participation shall be calculated on an annual basis in accordance with the following procedures:

A company's commercial participation ratios shall be determined as a function of the company's retained market share. Ceded business (CAR ID Codes 4 and 5) shall not be included in the commercial

participation formula. Additionally, all retained premium (CAR Identification Codes 0 and 1) for Antique Motor Vehicles (Classification Code 962000) shall be excluded from the calculation of commercial participation ratios.

The formula for determining commercial participation ratios shall be as follows:

1. Determine Premium to be Used in Participation Ratio Calculation

- a. For each company, separately for liability and physical damage, determine the company's retained written premium to be used in the calculation of commercial participation ratios. Premiums shall be separately summarized for the following CAR ID Codes:

CAR ID Code	Description
0	Voluntary written premium from voluntary producers or written directly by the company

The Servicing Carrier shall provide service to such ERPs under substantially the same contractual terms and conditions governing its voluntary producer relationships.

An applicant applying as a consequence of a voluntary producer agreement being terminated because the applicant (1) intentionally withdraws from a voluntary agreement to write Motor Vehicle Insurance business on behalf of a Servicing Carrier, or (2) requests cancellation of a voluntary agreement for Motor Vehicle Insurance business, or (3) fails to fulfill any of the producer requirements specified in Section B.1. is ineligible for appointment to a Servicing Carrier as an ERP.

A producer who applies for an ERP appointment and who is determined to have an affiliated relationship, will be appointed to the same Servicing Carrier as all members of the affiliated group. the Servicing Carrier on behalf of the seller, for policies with an effective date as of 90 days subsequent to the date of the sale for renewal business and as of the date of sale for new business, will be fully serviced through the purchaser until the policy expiration date of each risk, as noted on the declaration page of each policy in force as of these respective dates. The President of CAR shall confirm in writing to the sender the receipt of the notice of termination as a Servicing Carrier.

The advance notice of termination shall specify a date, no sooner than 12 months from the date notice is received by CAR or such earlier time as the parties shall mutually agree, when the terminating Servicing Carrier will cease accepting new applications.

The terminating Servicing Carrier will, in its notice of termination, affirm its commitment to continue to provide service as required by the Plan and Rules of Operation, and the Manual of Administrative Procedures, on all existing policies and those policies written in the notice period until the expiration following the effective date of termination, unless the parties shall have mutually agreed to other arrangements for the servicing of such policies.

2. Terminations by CAR

An appointment as a Servicing Carrier for commercial Motor Vehicle Insurance business will be for the time period specified in the letter of appointment, and will automatically terminate on the date specified in the original appointment, unless extended or sooner terminated by the Governing Committee.

Such notice shall specify a date no sooner than 12 months from the date of the notice or such earlier time as the parties may mutually agree, at which time the Servicing Carrier will no longer be authorized to accept new business on behalf of CAR. The notice to the terminating Servicing Carrier will further state that the Servicing Carrier will be expected, in good faith, to the best of its ability to continue to provide service on existing

policies as required under the Plan and Rules of Operation and the Manual of Administrative Procedures until the expiration date following the effective date of the termination notice unless the parties shall have mutually agreed to other arrangements for the service of such policies.

The Governing Committee shall determine whether there will be an equitable distribution of the terminated Servicing Carrier's commercial business among the remaining Servicing Carriers, or if it will be necessary to select a new Servicing Carrier through the Request for Proposal for Massachusetts Residual Market Commercial Automobile Business process, pursuant to the provisions of Rule 13.A.

In the event any Servicing Carrier experiences unanticipated or unusual operational difficulties that would impair its ability to continue to meet the established Servicing Carrier commercial performance standards, the Governing Committee, subject to the approval of the Commissioner, may take such action as it may deem appropriate to alleviate the difficulties. Such actions by the Governing Committee shall be taken when it is evident the interest of the motoring public and the industry would be better served.

Nothing in this Section shall in any manner be deemed to act to modify or reduce a Servicing Carrier's responsibilities or obligations under the Plan and Rules of Operation or the Manual of Administrative Procedures.

3. Terminations by the Commissioner

The Commissioner may terminate any Servicing Carrier which he determines to have violated the standards established for Servicing Carriers in these Rules, or the Plan, or if he finds that the operation or financial stability of such Servicing Carrier presents a danger to the interests of policyholders or the continued operation of CAR or will create substantial market disruption.

4. Commissioner Approval of Servicing Carrier Terminations

No termination of a Servicing Carrier will become effective until approved by the Commissioner. In granting approval, the Commissioner will consider the impact of such termination on policyholders, producers, and the commercial Motor Vehicle Insurance market.

B. Producer Terminations

1. Voluntary Terminations

A producer requesting termination as an Exclusive Representative Producer (ERP) of a Servicing Carrier shall be required to provide 30 days advance written notice to the Servicing Carrier and CAR.

The terminating ERP shall return all Servicing Carrier forms, manuals and certification stamp(s), as well as all materials supplied by a Servicing Carrier at such time as the termination becomes effective.

2. Producer Terminations by a Servicing Carrier

Termination of an ERP shall be governed by Rules 13 and 14.

For ceded commercial business, Servicing Carriers shall receive a credit against their premium written account for the expenses noted in A. and B.

A. Premium Tax and Commission

Servicing Carriers will be reimbursed for premium tax and commissions according to the approved CAR commercial rate filing for the corresponding policy year. For policy years where a commercial rate filing is not filed or not approved, the premium tax and commission allowance will remain unchanged from the prior year.

B. Other Expenses

On both an interim and final basis, Servicing Carriers will be reimbursed for Other Expenses including, but not limited to, unallocated loss adjustment expenses and general company expenses according to the allowance as determined through the review and selection process associated with the Request for Proposal for Massachusetts Residual Market Commercial Automobile Business.

C. Interim Ceding Expense Allowances

Interim expenses will be calculated as a percentage of written premium to be estimated based on the agreed upon per unit allowance and the estimated average written premium.

Annually, interim expenses will be trued-up based on the agreed upon per unit allowance multiplied by the ceded property damage liability exposures statistically reported for the corresponding policy year.

The commission paid to Exclusive Representative Producers (ERPs) for ceded commercial business shall be as follows:

1. For those producers operating under the so-called American Agency System, the commission paid on all classes of ceded business shall be equal to the applicable percentage as contained in the commission schedule approved in conjunction with CAR's commercial rate filing.
2. For those ERPs that are not producers operating under the so-called American Agency System and are assigned to a Servicing Carrier with which the ERP also has a voluntary relationship, the commission will be determined by the Servicing Carrier. For all classes of ceded business the commission may not exceed the applicable percentage as contained in the commission schedule approved in conjunction with CAR's commercial rate filing.
3. For those ERPs that are not producers operating under the so-called American Agency System and are assigned to a Servicing Carrier with which the ERP does not have a voluntary relationship, the commission paid on all classes of commercial business shall be equal to the applicable percentage as contained in the commission schedule approved in conjunction with CAR's commercial rate filing.

- A. Any person or Member made or threatened to be made a party to any action, suit or proceeding, because such person or any officer, employee or representative of such Member served on the Governing Committee or on any committee of CAR or was an officer or employee of CAR, shall be indemnified by CAR against all judgments, fines, amounts paid in settlement, reasonable costs and expenses including attorneys' fees, and any other liabilities that may be incurred as a result of such action, suit or proceeding, or threatened action, suit or proceeding. However, if the person or Member is adjudged in such action, suit or proceeding to be liable by reason of breach of duty involving gross negligence, bad faith, dishonesty, willful misfeasance or reckless disregard of the responsibilities in the performance of his or its duties or obligations to CAR, such person or Member shall not be indemnified by CAR. With respect to any criminal actions or proceedings arising from service on the Governing Committee or on any committee of CAR or as an officer or employee of CAR, CAR shall not provide indemnification when such person or Member had reasonable cause to believe that his or its conduct was unlawful.

Indemnification under this Section shall be provided whether or not such person or Member is a Member or is holding office or is employed at the time of such action, suit or proceeding and whether or not any such liability is incurred prior to the adoption of this Rule. Such indemnification shall not be exclusive of other rights such person or Member may have and shall extend to the successors, heirs, executors or administrators of such person or Member. In the event of settlement or other termination of a matter before final adjudication, indemnification shall be provided only if the Governing Committee determines with the advice of independent counsel that the person or Member to be indemnified did not in counsel's opinion commit such a breach of duty.

- B. In each instance in which a question of indemnification arises, entitlement thereto, pursuant to the conditions set forth in Section A. of this Rule, shall be determined by the Governing Committee. The Governing Committee shall also determine the time and manner of payment of such indemnification; provided, that a person or Member who or which has been wholly successful, on the merits or otherwise, in the defense of a civil or criminal action, suit or proceeding of this character described in Section A. shall be entitled to indemnification as authorized in Section A. Nothing herein shall be deemed to bind a person or Member who or which the Governing Committee has determined not to be entitled to indemnification, or to preclude such person or Member from asserting the right to such indemnification by

legal proceedings. Such indemnification as is herein provided shall be considered an operating expense apportioned among all Members, including any named in any such action, suit or proceeding, according to each Member's participation ratio as determined in Rule 11.

A. Requesting a Review

Any Member or licensed producer aggrieved by any unfair, unreasonable, or improper practice of CAR or another Member with respect to the operation of CAR may request a formal review and ruling by the Governing Committee on the alleged practice. The request for review must be made within 30 days after the date such person knew of the alleged practice. Any written material which either party wishes to have considered in connection with the deliberations of the matter should be forwarded to CAR at least five business days prior to the date scheduled for the review.

The review shall be held within 15 business days after the receipt of the original request, unless such requirement is waived by the aggrieved party. Except as may be otherwise provided by the Governing Committee, the review shall be held by a Governing Committee Review Panel consisting of three Governing Committee members entitled to vote. The decision of this Panel or any committee sitting at the request of or under the authority of the Governing Committee shall be rendered within 15 business days of the review. The ruling of the majority of the Panel shall be deemed to be the formal ruling of the Governing Committee.

B. Appealing a Ruling

Any formal Governing Committee ruling may be appealed to the Commissioner by filing a notice of appeal with CAR and the Commissioner within 30 days after the date of the ruling's issuance. The ruling of the Governing Committee shall remain in full effect unless otherwise directed by the Commissioner. The Commissioner may approve, modify, amend or disapprove the ruling or direct the Governing Committee to reconsider the ruling. In addition, the Commissioner may issue any other appropriate order, including granting the aggrieved party a new review.
